President's Report with Alan Blackman

STATE TITLES AND AUSSIE TITLES

The State Titles have come and gone and our Club punched well above its weight with great participation and some amazing results. Congratulations to everyone who attended, participated and medalled. See the reports inside this edition of Point Break for all the details.

Aussie Titles is just around the corner and many of our members are making the way north to the Gold Coast. *Good luck to everyone and enjoy the competition!*

JUNIOR PRESENTATION

Our Junior Presentation was a great success and it was great to see so many of our Nippers and their families in attendance. Director of Membership Alison McNeill and her team did a great job in organising the event and there were lots of smiling faces.

Remember that Nippers are our future, so **'BRING A FRIEND' next season!**

President's Report continued

YOUR CLUB NEEDS YOU!!

Deputy President: Warren Watkins is stepping down after a long stint as Deputy President. This role basically supports me and we can tailor the duties of the Deputy President to suit an individual strengths and talents.

Please see [Alan Blackman](#) for more information or to express an interest.

Member Protection Information Officer (MPIO): This role is becoming increasingly important as all surf clubs focus on supporting their membership and meeting our obligation to ensure we deal with any matter raised by members in a prompt and appropriate manner.

The role of the MPIO is to be the first point of contact for a member who wants to raise an issue. The role of the MPIO is to provide information and where needed provide a conduit to the Board. Surf Life Saving Central Coast will be running a training course for MPIOs in the near future, with most of it being completed online.

Please see [Alan Blackman](#) for more information or to express an interest.

Bar Staff: We need more volunteers to help with the bar on Friday and Sunday nights. The bar revenue is critical to the Club's finances, but we can only run it if we get more members to help behind the bar. The Club can arrange training and RSA courses. It's a great way to meet members and it is an ideal way for our Associates to become more active in supporting the Club.

See [Steve O'Hara](#) to find out how you can help.

AROUND THE CLUB

Lots of things are happening in and around Macs SLSC:

- **the new bar is in place and looks fantastic!** There are still some finishes to be applied to the 'Boat'. Watch this space, it will look even better when the timber veneer and Club logos are installed. Thanks Steve O'Hara and Carole Thompson for managing the installation.

- the **car park** is finished, there will be some further sweeping and rolling of the surface in coming weeks.

- our **new audio system** is in, and after a little tweaking the sound quality is fantastic!

- the Board has been considering a range of internal changes to our **Clubhouse layout**, particularly to improve our office space, better storage, an additional toilet, cool room and access to the gym. The concept ideas and a cost plan are being firmed up and we will post the draft plan in the Clubhouse for members to view and give feedback shortly.

The plans will show a range of improvements that will form a **long term and step by step improvement plan**.

There are some items that we will need to run with in the very near future but also some concepts that we will hold back on, until there is a clear need (and money available to fund them). The intention is to have a long term strategic improvement plan for our club house that can be used as guide over coming years.

- we are progressing talks with Council on **erosion protection on the bank in front of the Clubhouse**. This will be a lengthy process involving a formal planning approval process, fund raising and detailed agreements on sharing costs. We will keep you informed on how things progress.

CONTACT THE PRESIDENT

With over 500 members it is a big task for me to get to know every member, and like most of us I have a busy schedule away from the Surf Club. So if there is something you would like to talk to me about you can always drop me an email at alanblackman@hotmail.com or phone me on 0418 331 649.

Surf Boat Action *with Nadine Norman*

It's been a big couple of months in the boat section and our crews are on their way to the Aussie titles as this report is being typed!

STREETS SURF BOAT SERIES: FINALS @ Soldiers Beach 4 Feb 17

The Streets Series wrapped up with the final round being held at Soldiers Beach. Congratulations to all of our crews for placing in their respective divisions:

Open Women: *Equal 3rd Place*

Reserve Men: *2nd Place*

Under 23 Women: *2nd Place*

Under 19 Men: *3rd Place*

Under 19 Women: *2nd Place*

Overall club point score: Macs 3rd Place!

CENTRAL COAST BRANCH TITLES @ Ocean Beach 12 Feb 2017

The Branch Titles were held at Ocean Beach with 3 of our crews taking part and coming through with some great racing with the flat water creating some tight finishes:

Open Women: *1st Place* and keeping the 'Rex Norman' trophy at MacMasters Beach!

Reserve Men: *2nd Place* in a very tight finish

Under 19 Men: *3rd Place*

We also had **our first ever boat relay team compete** at the Branch Titles with the 3 crews mentioned. Starting with the Reserve men who held a strong second place to set the Open Women up with a cracking middle leg and the Juniors bringing it home to claim the silver medal behind Avoca.

Great fun and team effort!

AUST SURF ROWERS LEAGUE @ Shellharbour 17-19 Feb 2017

The ASRL was held on the 17th-19th February in Shellharbour. We had the Reserve Men, Open Women and Under 19 Women taking part.

The Reserves kicked it off with a bigger surf and some great racing on the Friday to qualify in a top position leading into the Sunday.

Both girls crews took to the water on the Saturday, where the conditions had dropped and unfortunately both crews missed out on a place through to Sunday however they had a great time.

Our Reserves raced strongly on the Sunday and with some tight racing and a great performance made it through to the final, a strong row had the boys in medal contention however the luck of the surf saw them caught in dead mans land in the wave area and finished 6th.

Huge congratulations to the boys making the final of one of the biggest carnivals of the season!

NSW STATE TITLES @ Swansea-Belmont 10-12 March 2017

The State Titles was an action packed carnival! Our Under 23 and Under 19 girls started the carnival in the lake due to the big swell coming into Swansea Belmont. Both crews rowed brilliantly on the flat water with great technique taking them into the Sunday.

The afternoon session saw the Under 19 Men and Open Women immediately pushed through until the Sunday and left the Reserves to have some fun taking on the surf. The MacsDebaters were rowing brilliantly and made it through the elimination rounds until the last race of the day saw the state titles run finish.

On the Sunday all crews gave the event everything they had with some fast and tight racing under pressure of elimination. We also celebrated 3 birthdays including our youngest rower, Joe and the oldest Bunks (only 137!).

The Under 19 Girls were brilliant and kept pushing through their races with some incredibly close racing taking them into the final. This is the girls first year rowing and to make a state final is huge, congratulations girls on an amazing 4th placing!

Macs U19s Womens Team

And here we are, ready to finish this season off. What a team and an epic year its been. Well done to all the crews for the support, good times, results and love for the sport that has been part of this season.

Best of luck at Aussies!

NSW STATE NIPPERS TITLES @ Swansea-Belmont 3-5 March 2017

We had a great trip up to Swansea-Belmont and what would the State Titles be without rain and high surf! With 29 Macs Nippers competing we converged with a few thousand other Nippers from across NSW on Blacksmiths Beach from Friday 3rd through to Sunday 5th March.

The U10s team consisted of 10 nippers who all participated in a number of events, with some PB's achieved along the way. The team did very well overall, making a number of finals and greatly contributing to the overall success of the club. Special mention goes to Hamish, Ben and Spencer who all brought home GOLD!

In the Under 12s we had Marlie, Lilly, Emma, Clair, Charlotte, Choe, Zoe Bryne and Conor all compete at state. We entered the most events we could, ranging from R & R, surf race, surf team, board race, board team, board rescue and Marchpast. Every season we have our great team bonding moments for both the children and adults. I like to think of Nippers at MacMasters beach as building our own community and hoping we are all setting up life long friendships.

At possibly of this being their last Nippers State Carnival, Mason Cusack, Leah Swanston and Emily Hodgkinson all stepped up for the U14s. The conditions were very similar to their last four state carnivals: wind, rain, dangerous surf conditions!!

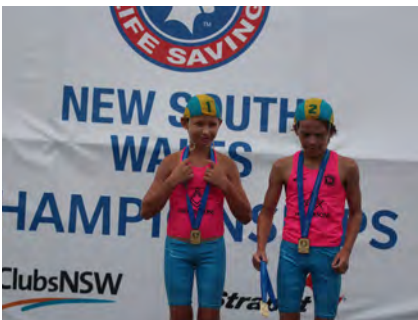

After a few delays due to injuries in other events and surf conditions, they finally entered the water for the surf swim. Leah and Emily made it through their first heats, Mason faced a tough group and 'just missed out by one'.

Saturday started much the same with more rain and wind and tough conditions for the Mals. Leah and Emily were both unsuccessful in getting through to their next heats. Sunday was a fun day for the kids with Mason taking part in the Marchpast with Leah and Emily as part of the colour party cheering them on.

Overall MacMasters finished 26th (equal) out of 87 competing clubs, and 5th (equal) out of the Central Coast clubs! Not too shabby at all for a little club with only 29 competitors. #goteammacs

A huge thank you to **Belle Property, Killcare** for sponsoring our shade covers - you kept us dry and protected on the beach!

A great weekend of competing, cheering each other on, friendship and sportsmanship! Well done to all our Macs Nippers, coaches and parents - you have made Macs proud!

Membership Matters *with Alison McNeill*

I want to start by saying thank you to everyone who was involved with our Juniors this season. We have had a great season with many smiling faces of both children and parents - this is what we are all about at MacMasters Beach - **a community club!**

SUNDAY NIPPERS

Elaine and Lorna did a wonderful job running our Nippers with help from Matthew Douglass on the days they were away at carnivals. We also need to thank Greg and Kylie for not only ensuring our Under 6s and 7s had a wonderful season, but for also including with all age groups on carnival days. The Amazing Race was a fun event and we'll look forward to an even bigger one next season.

To all our age managers, we couldn't run our Nipper Program without you so thank you very much.

To our Nipper families - thank you for choosing MacMasters Beach Surf Club and we can't wait to have you back to Nippers later in the year for the 2017/18 season.

VOLUNTEERS AND HELPERS

Officials, Water Safety, helpers ... we certainly couldn't do it all without your support! **We are making a huge call-out to parents to get involved next season.** Many of our officials and water safety people do not even have Nippers anymore - they just turn up to help you. We really need some new parents to 'get involved' and we have had a few enquiries already - [send an email through to me](#) if you're interested or catch Jono around the club.

NIPPERS AND ROOKIES

Having said all that, it is our Nipper and Rookie kids who really need to be congratulated. Week after week they display all the qualities that we, as parents, want to instil in our children. The older kids look after the younger kids, they all cheer for each other, they encourage each other to learn to love the surf, to start board training, to swim to the Aqualily mat or just to get wet. They help each other with beach sprints and flags, they learn to rescue and resuscitate, they march together, they represent our club and local community. **Well done!**

15 YEARS AND OVER

We are fortunate to have many of our 15s and older who are still involved in the club by patrolling and helping where needed. This is strengthened by our Duke of Edinburgh Program. We invite all 14 years and over to join the program which involves camping, hiking - all sorts of fun activities as well as volunteering and learning new skills. Club activities as well as your regular team sports, all count towards your award. [Send an email through to me](#) if you are interested or find Geoff Dominguez at the club.

SENIOR CLUB CHAMPS - 23RD APRIL 2017

We'd also like to increase the numbers competing in the Senior Club Championships - 2pm Sunday 23rd April 2017.

This is open to anyone 14 years and over. There are many different events you can enter to have some fun.

It would be wonderful to have some seniors competing for MacMasters Beach at the Senior Carnivals next year too.

Membership Matters continued *with Alison McNeill*

SURFBOAT CREWS

This year has seen an increase in the number of surfboat crews for our club. An enormous thank you to Michael and Peter Norman for all the hours they put in to our crews. We have achieved some amazing results for our little club as reported by Nadine in this Point Break. We also have 4 new young teams currently in training ready to compete next season. As we publish this, we have 5 crews competing in the Australian Titles on the Gold Coast - **Go Macs!!!**

LIFE SAVING PATROL CREWS

To our patrolling members who keep us safe all season - we really value the hours you put in for us.

To Jono and Rod who keep everyone qualified - not an easy task - **thank you!**

DIRECTORS, BAR AND ADMIN STAFF

To Steve and Carole, our bar staff, Paula & Denise (our registrars) - thank you!

To all our other members who help in all sorts of ways - even just continuing to stay financial - every bit helps!

To all the Directors - thank you! You have made my transition into this role much easier. There is a lot of work that goes on behind the scenes to make our little club the special place that it is.

MACS MANIACS

Macs Maniacs will start up again soon for the winter - everyone is welcome to come along and join in!

Steve Kleppen runs the Pointscore: Board and Swim every Sunday and this year we also added in the same for the Junior members (14yrs and under) recorded by Tracy Przybyla. We acknowledged the Juniors at Presentation Day and thank you Tracy!

SENIOR CLUB PRESENTATION

Our Senior Club Presentation is on the 6th May commencing at 6pm. We'll start with food then settle in to our awards presentation. ***I hope to see you all there!***

Celebrating our Achievements @ the Macs Nipper Presentation

Our Junior Presentation days were very well attended. We did it a little differently this year, so thank you to everyone for your help.

U6s & U7s JUNIOR NIPPERS PRESENTATION

We had a special Presentation Day for the Under 6s & 7s on the last day of Nippers on the grass at the club. It was wonderful to see all their smiling faces as they waited for their name to be called to receive their certificates and trophies/medals. Our wonderful Suzie Morris was there to photograph the kids and their age managers.

U8s - U14s JUNIOR NIPPERS PRESENTATION

The following Sunday, the 19th March was our Junior Presentation Day. The club was filled with excited kids and their parents. Congratulations to all our Nippers/Rookies on your achievements this season and this is also acknowledged by completion of your age level shown on your certificates.

We had a hard time choosing award winners with so many deserving kids. Our awards cover not only carnival results but also acknowledge other skills and achievements at Nippers - on the beach and in the water. Well done to all our Award winners and to everyone who participated in Nippers this season!

PRESENTATION THANK YOUS!

I also must mention Suzie Morris - she works so hard producing Point Break for us, taking photos all season of our kids, organising all the Facebook/Instagram reminders - but most of all for the wonderful photo prizes we did for the kids this year. I hope everyone liked them!

Thanks to Peter Hodgkinson for all the photos and video he did throughout the season for us also. Thanks Tim for all your effort with the new website and running the slideshow for Presentation!

We also gave out vouchers for prizes to spend at Three Points Surf at Avoca Beach. I hope this was also well received by families and that the kids have fun spending their prizes! It is always good to support our local businesses so thank you to Kerry & Rob for helping us.

What a way to end the season! Alison Mc'Neill - Director of Membership

Dollar\$ and \$en\$e with \$teve \$illato

Well another season quickly draws to a close as we start celebrate all our achievements and accomplishments in 2016-2017.

MACS JUNIOR PRESENTATION

It was great to attend the Junior Presentation and hear all about our Nippers: be it fantastic results in competition or hearing how much the kids enjoy the Sunday morning activities. It was all wonderful and congratulations to Alison and her team of organisers who did such great job throughout.

NIPPERS IN 2016-17

Our board has had a huge focus on Nippers this season and special thanks to Alison, Elaine and Lorna for coming forward with lots ideas and requests to help the club support our Nippers. This year we have spent over \$17,000 on Nippers including the following; new marquees for safe carnival shelter, the floating aqua mat, various Rookie and youth development activities, sponsoring of the State competition package and Club dinner, plus all the new Sunday equipment including age banners, water bottle holders and our great looking U6/U7's legionaires caps.

Of course there are also all the awards and other costs involved with presentation afternoon and we have also held other functions including the very popular Jitterbugs discos. Some of these activities are directly sponsored and some are from general Club revenue, but it is all supported by our Club to look after our future members.

Thanks to all of our sponsors who make all this possible, especially Cathy and her team at Belle Real Estate and to our Macquarie Bank donors, who's funding has directly helped us with some of the above.

GIVE BACK TO YOUR CLUB

Thanks also to all those Nipper parents who show their appreciation by helping the club in many different ways; patrols, officiating, running Sunday activities etc - it is great to see you involved. If water and sand is not your thing, there are so many other ways you can still show your support.

We are always desperate for more help with the bar, which is always the mainstay of our operating revenue every year. Without our bar operations the club would really suffer, so please jump on board and help out with this vital role. It is a great way to meet people around the club and community and we even reimburse your RSA training after 12 months on the bar. Please see Steve, Carole or any of our Bar staff if you can help.

THANK YOU!

Finally, thank you as always to all those working tirelessly behind the scenes to keep our club running so smoothly. It is a real team effort from Bar staff, to Cafe staff, to our Board members, to the many Admin workers and assistants. Each and every role is so crucial to the Club's operations and all support is so very greatly appreciated.

Enjoy the last few weeks at the season and I hope to see you all at our Senior presentation night in a few weeks.

Enjoy the Club and see you on the beach! \$teve \$illato - Director of Finance

Macs Rookies Program with Elaine Hodgkinson, Rookie Coordinator

It was a busy season for our Rookies this year as we had some new Rookies join in U14s and a large group of U13s started.

With new caps and uniforms the season started with the Raising of the Flags to launch the new SLS season. It was a beautiful September Saturday morning and, along with rookies from all the Central Coast clubs, Molly, Poppi, Emily, Oscar and Mason proudly flew MacMasters flag.

The next event for the rookies to participate in was, what is now becoming an annual event, running the Sunday morning nippers program at Wet 'N' Wild, Sydney. This year our rookies and cadets managed to land 2 visits this season, helping with water safety, running beach events and teaching kids from western suburbs learn how to stay safe in water. Our kids certainly showed off all their skills, impressing SLSNSW staff members who run this worthy event. After an early start and running nippers, our kids had a free run of Wet 'N' Wild and all its rides before the long, quiet, sleepy drive home.

During the normal run of a Nippers season the rookies not only train like all Nippers they also help out with water safety, do extra training with Jono, go on patrol and work raffles to help raise funds for the surf club, all working towards the completion of the Surf Rescue Certificate (SRC).

SLSCC run several events which allow rookies from all Central Coast clubs to catch up, have some fun while raise funds and the profile of SLS, this included a Halloween themed disco and the annual Ducks for Bucks at The Entrance on Australia Day, all of which were attended by MacMasters Beach Rookies.

After all their hard work and as a final hooray to U14s the Rookies were treated to an afternoon at Gosford's Aquasplash at the end of February followed by fish and chips at Monti's.

We hope all the Eookies had a great season. I thank them on behalf of Macs for their participation, enthusiasm and willingness to learn. I would like to wish this season's U14s all the best and hope to see them continue on as Cadets at Macs. We look forward to seeing Angus and his U13s back next season as well as welcoming Jason Vella and his U12s. Enjoy the winter season kids, see you in September 2017!
