President's Report with Alan Blackman

The last month has seen a flurry of activity around our Club with activity on the beach, in competitions and at the Clubhouse. There is lots of news in this edition of Point Break.

BRANCH OPEN CARNIVAL AT MACS

The Central Coast Branch Open Carnival was held at MacMasters Beach on Sunday 11th February and what a HUGE success it was! The true Macs showed through with around 60 club members helping out on the day with all the behind the scenes activities being done well and efficiently.

The Carnival Director said it was one of the best run carnivals that they had experienced, all due the wonderful volunteer spirit at Macs. I particularly want to thank our Director of Competition Craig Lee who managed the Organising Committee and made sure everything was done.

NEW CONSTITUTION

Our new draft Constitution has been on [exhibition on the website](#) for some months now - feedback has been positive.

The **Extraordinary General Meeting** to consider adoption of the Constitution is scheduled for **Sunday 18th March 2018 at 4pm**. Please come along and support the meeting.

This is an important document to help direct the future of our Club!

BAR STAFF - WE NEED YOU!!!!!!!

As I reported in last month's Point Break the bar operation is our major source of income and is essential to our Club's financial viability. The bar is totally run by volunteers and we desperately need more members to help out. If we cannot get more people to help we will have to make some significant changes to the operation of the bar. Please consider sparing a few hours to assist our club - we still need to fill the a few roles: [Duty Managers](#), [General Bar Staff and House Manager](#). Please see page three for role descriptions and more information.

OSCAR CROWE AWARDED CENTRAL COAST JUNIOR LIFESAVER OF THE YEAR

Congratulations to Oscar Crowe on being chosen as the Central Coast Junior Life Saver of the Year (Boy). This is an outstanding result by Oscar who had to go through a competitive process against representatives from every other Central Coast Club.

Oscar continues our Club's strong history of success in this award. [See Oscar's report for all the details](#).

BAR STAFF - WE NEED YOU!!!!!!!

We have created several new positions to support the existing roles and we need people to fill these roles:

BAR DUTY MANAGERS: Currently existing role, Duty Managers are responsible for opening the bar, ensuring its smooth operation and closing the bar. We have a small number of existing duty managers, but **we need at least 5 more.** *This is our most critical need!!!*

GENERAL BAR STAFF: Currently existing role, general Bar Staff are responsible for serving customers and keeping things tidy and clean. We have around 20 existing bar staff but **we need at least another 20.** You need to have your RSA qualification and the Club will help you achieve this. *This is also a critical need!!!*

HOUSE MANAGER: An existing role responsible for managing the maintenance of our building. This role has been done by Steve O'Hara for several years and it's time he had a well earned break. Steve has established a sound maintenance schedule and regular list of trades people, so it's an easy transition for someone to step into this role. You don't need to have a building background, just have good communication and organising skills.

PLEASE CONTACT [ALAN BLACKMAN](#) OR [STEVE O'HARA](#) IF YOU CAN HELP - *don't be shy !!!*

STATE AND AUSSIE TITLES

Our Junior members competed at the State Titles on the 2-4th March. [See the result in this edition.](#)

Our boat crew and Masters competed at State on the 9th March (results in our April edition) and then back up for the Aussie Titles in Perth in April. ***Good luck to everyone !!!***

CONTACT THE PRESIDENT

With over 500 members it is a big task for me to get to know every member, and like most of us I have a busy schedule away from the Surf Club.

So if there is something you would like to talk to me about you can always drop me an email on alanrblackman@hotmail.com or phone me on 0418 331 649.

Enjoy the beach and swim safe!

Membership Matters *with Alison McNeill*

I want to start by saying thank you to everyone who was involved with our Nippers and Rookies this season. We have had a great season with many smiling faces of both children and parents - this is what we are all about at MacMasters Beach - *a community club!*

WHAT A NIPPER SEASON - THANK YOU TO ALL INVOLVED!

Elaine and Lorna did a wonderful job running our Nippers with help from Matthew Douglass on the days they were away at carnivals. We also need to thank John, Andrew, Jade, Taylor and Jade for not only ensuring our Under 6s and 7s had a wonderful season, but for also including all age groups on carnival days.

To all our Age Managers, we couldn't run our Nipper Program without you - so thank you very much. To our Nipper families - thank you for choosing MacMasters Beach Surf Life Saving Club and we can't wait to have you back to Nippers later in the year for the 2018/19 season.

Officials, Water Safety, helpers ... we certainly couldn't do it all without your support. We are making a huge call-out to parents to get involved next season. Many of our officials and water safety people do not even have Nippers anymore - they just turn up to help us. **We really need some new parents to 'get involved'** and we have had a few enquiries already - [send an email through to me if you're interested](#). We are looking at running an Officials Course during the off season.

I also must mention Suzie Morris - she works so hard producing Point Break for us, taking photos all season of our kids and organising all the Facebook/Instagram reminders. Thank you Suzie!

Our Nipper and Rookie kids need to be congratulated. Week after week they display all the qualities that we, as parents, want to instil in our children. The older kids look after the younger kids, they all cheer for each other, they encourage each other to learn to love the surf, to start board training, to swim to the Aqualily mat - or just to get wet. They help each other with sprints and flags, they learn to rescue and resuscitate - **they are Nippers!**

U6s & U7s PRESENTATION

By the time this article is out, we will have had our last Nipper Sunday and a Presentation Ceremony for all our Under 6 & Under 7 Nippers. They are the little life-savers of the future.

JUNIOR NIPPER PRESENTATION

Sunday 25th March is our Junior Presentation Day, 2pm-4pm followed by food for the kids. All are welcome including the families of the U6s and U7s kids. Congratulations to all our Nippers/Rookies on your achievements this season and this is also acknowledged by completion of your age level shown on your certificates.

We had a hard time choosing award winners with so many deserving kids. Our awards cover not only carnival results but also acknowledge other skills and achievements at Nippers - on the beach and in the water. See the April edition of Point Break for all the award winners and photos of the day. **Well done to everyone!**

DUKE OF EDINBURGH PROGRAM

We are fortunate to have many of our 15s and older who are still involved in the club by patrolling and helping where needed. This is strengthened by our Duke of Edinburgh Program. We invite all 14 years and over to join the program which involves camping, hiking and all sorts of fun activities as well as volunteering and learning new skills. Club activities as well as your regular team sports, all count towards your award. [Send an email through to me](#) if you are interested or find Geoff Dominguez at the club.

MACS MASTERS

We have been watching the Macs Masters competing this season - having a great time and achieving some great results! We will celebrate them and all over 15s at the Senior Presentation Night on Saturday 12th May from 6pm.

Junior Lifesaver of the Year: Oscar Crowe

Every year MacMasters Beach SLS Club chooses a boy and a girl from the U14s to represent them in the SLS Central Coast Junior Lifesavers of the Year award. I was chosen along with Poppi Lever to represent MacMasters Beach. We had to complete a fairly long application form about our time in Nippers, what we've achieved, our goals and how surf lifesaving helps our community.

The next part of the selection process, involved nominees from all the Central Coast SLS Clubs to attend an individual interview at the branch office in Tuggerah. This interview included a theory test, a signals test, a scenario and a panel interview with SLSCC officials and Newcastle Permanent staff.

After that we waited until the Branch carnival in February when the winning boy and girl were announced. Much to Mum's and my surprise, not Dad's as he said 'he could feel it in his bones', I was announced as the Junior Lifesavers of the Year boy for the Central Coast!

Winners from all the NSW branches will now go forward to a development camp at Collaroy in April, where we will take part in physical challenges, presentations and discussions, activities and scenarios that require leadership, teamwork and communication, as well as another interview! The winner of the NSW State award will then be chosen.

I feel honoured on behalf of MacMasters Beach SLS Club to have been given this award and proud to be amongst other recent winners from Macs, who include Gabi Taranto, Maddy Beeforth, Matthew Douglass and most recently Cerys Cousins.

To Jono and Rod who keep everyone qualified - not an easy task - thank you!

So many people are involved in our Club, keeping all aspects of our activities going and lending a hand when and where needed. To Steve and Carole and our bar staff working every Friday and Sunday and all those Saturdays through summer.

To all our other members who help in all sorts of ways - even just continuing to stay financial - it all helps!

To Brad Norman who organised and facilitated Healthy Macs Minds - looking out for our younger members!

The Ultimate Team Challenge! with Nadine Norman

Oh what a night! The Ultimate Team Challenge fundraising night was a night full of good people, light-hearted challenges, a tonne of laughs and a very enjoyable way to say thank you to our sponsors and supporters who offer so much to Macs SLSC.

Over the night various challenges were put into play with teams selecting their representative for each challenge.

We would love to offer a huge thanks to the following businesses for their support to make this night happen:

Seacoast Fishing: *Prawn Pace Peel* and *Cocktail Making* challenges

Belle Property: for the *Price Is Right* challenge

Loo Loos Coffee Warehouse: *Be the Barista* challenge

Macquarie Bank: for the *Point Scoring Tally*

JD's Family Auto: for the *Team Table* challenge (with a very entertaining bunch of answers from one table...)

Barefoot Café: Varissa and the team had a huge weekend catering for the Branch Champs and putting together the sponsors breakfast on Sunday so whilst we enjoyed Richards company at the event we want to give a big shout out to Barefoot for their ongoing support!

The Hamilton family: were represented on the night with Don assisting in the coffee judging competition.. first time for everything!

Unfortunately Scott and Jane from **Greenstone Partners** were unable to be with us for the weekend, however their ongoing support for our club is held in very high regard.

The highlight of the night would have to be the variety of performances and surprise acts we got to see in the **Lip Sync Battles!** *Surely someone has some video footage?*

We raised some great funds over the course of the evening which will be put to good use with gear maintenance and other initiatives within the club in the hope for better inclusivity for all.

We would like to thank each and every person who attended the evening and for bringing a huge night full of club spirit into action.

To the Boat Crews, Macs Masters and families of each thank you for the help in catering delicious food for the evening, to the Reserve Men for cooking and to the Open Women's crew for the coordination on the day/night.

Thank you to the team behind the bar, absolute legends and to **Saratoga Meats, Bakehouse Bakery** and all the local businesses who donated prizes and gifts - special mention to **Go Electrical Long Jetty** for the major prize which was raffled over the weekend - thank you for all of your support!

What a night and what a great club of people!

Funding Grant Approved: New Equipment

The Australian Government, through the Beach Safety Equipment Fund, provides Surf Life Saving Clubs funding to purchase vital safety equipment to support and enhance their activities on our beaches. MacMasters was recently fortunate to receive funding of over \$11,000 to cover the purchase of a marine motor, a defibrillator and box, helmets, rescue boards and a trauma kit.

We would like to extend our gratitude to our local Member of Parliament, Lucy Wicks and the Australian Government. *Helping to keep our beaches safe!*

MACQUARIE

*Helping to keep our
boat crews paddling!*

A HUGE THANK YOU

to the Macs Board for the funding, resources and time put towards the new Macs Trailer. It is wonderful to be able to carry all our gear, boards, reels and equipment for carnivals. Already tried out a few times!!

Our Sponsors & Supporters Breakfast with Jan Sillato

Our Sponsors/Supporters Breakfast was held at MacMasters Beach Surf Club on the morning of the Senior Branch Championships in February. Some of our Directors were happy to host many of the Club's sponsors and supporters, including Mayor Jane Smith and local member Lucy Wicks, as they enjoyed the spectacle of our Central Coast boat crews navigating a challenging swell, whilst having a casual breaky overlooking all the action. Thanks to Varissa and Richard from Barefoot Cafe for catering a lovely spread of food on the day.

It was a great opportunity to show our appreciation for all the ongoing support from these very important people who believe in our special little club, and support us in so many ways. Macs Surf Club is extremely grateful to each and every one of them. **Thank you!!**

Healthy Macs Minds

Promoting the wellbeing of our younger members

A MENTAL HEALTH AND WELLBEING INITIATIVE with Brad Norman

On 24th February MacMasters Beach SLS Club held a short forum focussing on the mental health and wellbeing of our younger members. Facilitated by Brad Norman, Jason Vella and Suzie Morris, the idea was to provide our younger members and their parents with information in regards to the signs, things to look for, appropriate action and resources that are available for Youth and Mental Health.

A huge thank you to Holly Egan from Axiom Psychological and Coaching Services for supporting this initiative and providing us with information and resources.

Our guest speaker was Peter Bagnall, Killcare SLSC President and Lifeline accredited volunteer. He presented a short video and discussed the different and unique challenges that each individual faces in their life. Pete spoke to us about some real life situations he had experienced through lifeline and also an American man who had survived a harrowing ordeal, this was quite confronting for everyone present but also very relevant given the things we see in the media and through social media.

We extend our gratitude to Pete for joining us volunteering his time to be part of this important initiative.

Our Club Captain Pete Roden finished up by giving a great analogy on how, as life savers we are taught to look out for and watch for signs of danger whilst on patrol and then take the appropriate action and how the same can be said about looking after our own mental health and that of those around us.

Thank you to everyone who was involved in making this event happen and for those whose spoke on the day about such a huge issue we are facing in society.

We had over 30 club members and parents attend the presentation with everyone leaving having gained something valuable from the afternoon - proving it was well worth the effort and time to organise and facilitate an event of this nature. Hopefully our club can be at the forefront of the wellbeing of all our members in the future.

In the Macs IRB with: John Evans

Each month we will catch up with different Macs SLSC identities to find out why they are involved in our great Club and what makes them tick.

This month let chat with our **Director of Finance, John Evans.**

Position on the Macs SLSC Board?

JE: Director of Finance.

How long have you been a member at Macs SLSC?

JE: Since 2015.

What first attracted you to Macs Beach SLSC?

JE: The natural environment -we came to the Central Coast looking for a house. Commenced looking at Budgewoi and continued moving south until we came to Macmasters. We had never been here before and when we stepped foot in Macmasters we were sold.

What volunteer role/s have you been involved in at Macs before becoming a board member?

JE: Landcare/Bushcare working on the areas around the lagoon and the area between Macs Beach and the car park - mainly focussed on weed eradication and replanting.

I was also the volunteer auditor for Macs Progress Association and involved with The Salvation Army, Gosford.

Strangest place you have swum?

JE: Two strange places - the first was in Norway, above the Artic Circle, near a small town on the coast called Bodo. It was during a heatwave in June so the weather was hot and the water was warm.

The second place was Rwanda in Central Africa where I was working for a two year stint.

Favourite footy team?

JE: Parramatta Eels and Geelong Cats

Favourite SLSC competition event?

JE: Love watching the boats

Favourite menu item on the Barefoot Cafe menu?

JE: Loving the fish and chips - an old favourite!

Preferred beverage from the Macs Beach Bar?

JE: Mineral water or anything soft.

What do you enjoy most about Macs?

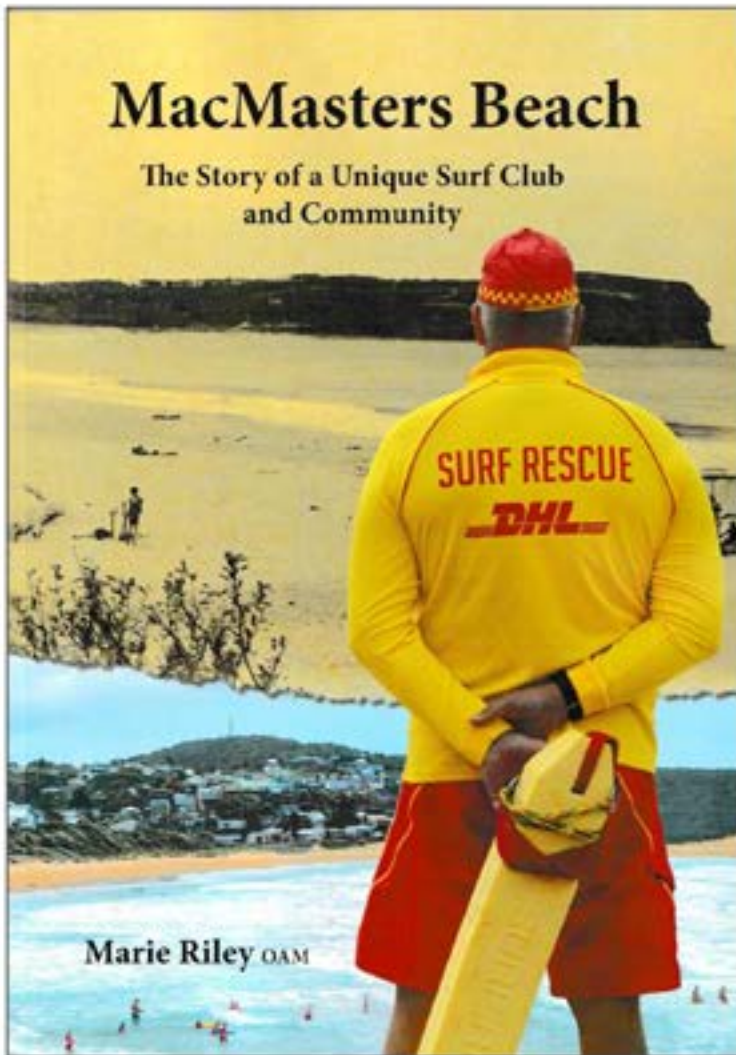

JE: It is a stunning place! Our natural environment is amazing with it's biodiversity - bandicoots, birds, snakes. The friendly people of course and there is lots of opportunity to get involved in community events.

Now you know a little bit more about John - have a chat next time you see him around!

Time to give back to your Club - how will you be involved?
