President's Report with Alan Blackman

WELCOME BACK!

Welcome to season 2018/19 for all our members. Patrols have been on the beach since the end of September and Nippers has been underway for a few weeks.

It has been a busy period on the beach and around the club house with training, requalifications, registrations and general gearing up for the summer season.

The new office, store room, gym access and cafe alcove are being well used and appear to be a hit with all members. On the technology side the new big screen was a great success for the football finals and the laptops and iPads have been a big help for our registrations.

THANK YOU!

Thanks to all Patrol members for getting back on the beach and a big thank you to all the people who have helped with the many, many tasks behind the scenes to make everything happen! *What a team!!*

COUNCIL'S ANNUAL PRESENTATION

During October I attended Central Coast Council's Annual Presentation which supports all 15 Clubs on the Coast. This year Council provided approximately \$201,000 across the 25 SLS Clubs and Branch on the Central Coast. Macs received \$8,500 and a new rescue board. This funding comes from the Water Safety Levy that we all pay as part of our rates. This support is very much appreciated and we thank the Council for helping keep us on the beach.

MAYOR JANE SMITH MACS NEW 'BUDDY'

Each Central Coast surf club has adopted a Councillor as their Buddy, and MacMasters is lucky to have Jane Smith, our Mayor as our Buddy!

Membership Matters *with Alison McNeill - Dir. of Member Services*

Welcome back for the 2018/2019 summer season! We have had a great start to the season with Nippers turning out in force, even when the weather has not been kind to us. The smiling faces of the kids proves that Nippers is a great sport.

HELP!

Parents, just a reminder that you need to help with your Nipper age group. We are all volunteers and need you to be involved - particularly in the Under 6 & Under 7 age groups where the kids are not 'beach proof' yet. Assistant Age Managers are needed so we can meet our compliance numbers, so please come forward to your Age Managers, Elaine, Lorna or myself.

OFFICIALS & WATER SAFETY

We also need parents for Water Safety and to become Officials for carnivals. If your children compete at carnivals, you really need to step up and help as our current officials have Nipper kids in the older age groups and won't be at junior carnivals much longer. *Thank you in anticipation!*

BOAT CREWS

Our boat crews have been competing already and doing really well. You may have seen them training at the beach on Sunday or Friday afternoons. Once you have your Bronze Medallion (15 years and older) you might like to join in!

DUKE OF EDINBURGH

When you turn 14 years of age (13 and 9 months), you are eligible to join the Duke of Edinburgh Award. This is a great program where you go on camps, use your volunteer patrol hours, learn new skills and count any of your physical training towards your award. There are 3 levels - Bronze, Silver and Gold. Geoff Dominguez is our Club Co-ordinator so see him if you would like to join.

YOUTH DEVELOPMENT CAMP

We also have 6 Macs Rookies attending the 13-14s Youth Development Camp on the weekend of the 10th-11th November. *We hope they have a great time!*

THE MACS CHRISTMAS PARTY

Our big celebration - *the Macs Christmas Party* - is one to put on your calendar for the 16th of December. The festivities start at about 3pm with our fun twilight Nippers (no morning nippers) where Santa makes a surprise visit. We have our Brass Band and Christmas Band playing Christmas carols. Our local social clubs run a BBQ and the bar is open also. It is a fantastic night where the whole community comes together.

The Barefoot Cafe is the ideal choice for members, locals and visitors

Duke of Edinburgh Camp *with Val Crowe*

DUKE OF EDINBURGH SILVER CAMP | September 2018 @ Hawkesbury River and Glenworth Valley

During September five of our Silver Duke of Edinburgh participants, Anya, Jamie, Kieran, Oscar and Campbell, completed their first 2-night/3-day expedition. We began with a modified paddle, as wind conditions were against putting-in at Mooney Mooney, so we kayaked from Spencer across the Hawkesbury River to Gentleman's Halt campsite for our first night. Our novice kayakers coped well with their first taste of paddling, but were happy to hike once on dry land, completing a 10km return walk along the picturesque Canoelands Ridge track in Marramarra National Park.

After a campfire and 'delicious' dehydrated dinner we headed to bed early in preparation for a longer paddle to Glenworth Valley the next day. Paddling upstream with the tide we arrived just before lunch at our own private campsite.

The kids put up their tents and took a dip in some pretty chilly water before we walked into Glenworth Valley to meet our abseiling instructors.

Two hours were spent learning the ropes and how to reverse backwards down a cliff, with no fear at all. Back at camp the rope swing over the creek got some use, and this was followed by lighting yet another cracking campfire – thanks to Duckie for the wood!

Having packed up for the last time on day 3 we began the paddle for home, back along Popran Creek and the Hawkesbury River to Spencer. The kids' kayak skills had certainly improved and their balance too, perhaps due to the fact that we had burnt 2 nights of ironbark on the campfire, which had been stowed in their kayaks from the start!

With the promise of a burger for lunch at the Spencer store everyone's speed against the tide was pretty impressive. Thanks to Duckie for all the logistical stuff (and for arranging perfect weather), there really is a lot involved getting this type of camp organised and it certainly makes being camp mum very easy!

In the Macs IRB with: Elaine Hodgkinson

Each month we will catch up with different Macs SLSC identities to find out why they are involved in our great Club and what makes them tick.

This month, let's chat with one of our **Nipper Coordinators, Elaine Hodgkinson.**

How long have you been a member at Macs SLSC?

EH: We joined in 2005 after moving to Australia in 2004.

What first attracted you to Macs Beach SLSC?

EH: We were encouraged to sign our eldest son up with his friend - best thing we ever did!

What volunteer role/s have you been involved in at Macs before coming our Nipper Coordinator?

EH: I have been a rookie coordinator, bar volunteer, worked in the uniform shop and of course the Nippers BBQ.

Strangest place you have swum?

EH: I don't swim ... I can swim but 'bad' things happen to me! Within 2 weeks of arriving in Australia I thought I was drowning on Manly beach, in about 1 foot of water. While swimming in Mackerel Beach in Pittwater I was viciously attacked by a stingray - Okay I stood on it, I deserved to be stung!

I have been attacked by some very aggressive seaweed and unceremoniously dumped by rogue waves when it has been completely flat water.

Prior to that I have snorkelled with whales off the Canary Islands and swam through caves in Mexico.

Favourite SLSC competition event?

EH: I enjoy watching the boards and skis.

Favourite menu item on the Barefoot Cafe menu?

EH: Chicken and cashews

Preferred beverage from the Macs Beach Bar?

EH: Six strings pale ale

What do you enjoy most about Macs?

EH: The community feel. It's like being back in my home seaside village in Northern Ireland.

Now you know a little bit more about Elaine - have a chat next time you see her around!
