## President's Report with Alan Blackman

### END OF THE SEASON 2018/19

The Patrol Season has come to an end for 2018/19 and it has been another outstanding achievement by all our patrolling members. The statistics for the year are still being compiled but we were kept busy right throughout the patrol period with lots of beach goers, plenty of preventative actions and several significant rescues and first aid incidents.

All our patrolling members are to be congratulated for their dedication and commitment, but I also wanted to thank all of our members who work away from the beach to ensure our Club has all the resources that are required to keep our patrols equipped, trained and ready to ensure the safety of our community. [We are conducting a Patrol Member Survey for all patrol members to complete - click here.](#)

With the end of patrols, the Club management now enters that busy time of year where we are getting ready for season 2019/20 and completing the many compliance and reporting tasks that are essential part of running the business that is the surf club. These tasks are never ending and we are very lucky to have a group of hard working Board members and managers that assist with these essential tasks. We can always use help in these activities, so if you are able to help our club 'off the beach' please contact me.

### ANZAC DAY

The Club's ANZAC Day sunset service was a wonderful commemoration of those who have served our nation in times of need. Thank you to everyone who helped organise the ceremony and especially to Vince Roberts for an outstanding job. See a full report on page 5 of the edition of Point Break.

## DUKE OF EDINBURGH AWARD

The Duke of Edinburgh Award is available through MacMasters Beach Surf Club. It is a program targeting 14-25 year olds to challenge them and keep them engaged during the teenage years.

The participants go on bushwalks and camps, learn new skills, volunteer in the community and do physical activity. They need to keep a log book of all these activities. With their involvement in Surf Lifesaving, most of the sections are easily completed.

Please contact us also if you would like your child to join or see Geoff Dominguez at the club.

**Current Duke of Edinburgh Participants:** keep logging your hours. We are working on finding a date for a get together to work on log books and to sort out dates for camps for the year. Geoff needs you all for the 5 Lands Walk on Saturday 22nd June, to set up early at the surf club.

He'll post in the Facebook group too.

**See you at Senior Presentation on Saturday 1st June at 6pm!**

## Lest We Forget

## Competition Corner with Craig Lee - Director of Competition

### STATE MASTERS CHAMPIONSHIPS | 6-7 March 2019 @ Swansea-Belmont

After their success at the Branch Masters Carnival, nine of our Macs Masters headed to Swansea for 1 or 2 days (depending on their work commitments) to compete at State Masters.

Jan, Val, Sam and Amanda, as well as Bill, Trent, Frank, Matt and Kevin flew the flag for Macs and having watched the weather forecast all week, were pleasantly surprised to arrive with relatively safe surf conditions.

In sweltering 37 degrees on the first day and freezing 23 the next everyone was keen to contribute to 'points for the club', especially as a few more team events were possible given our numbers. Congratulations to all nine who achieved 20th overall out of 75 competing clubs!

Our medal winners included:

**Frank** who won silver in the 2km beach run

**Bill** who swam hard for a bronze in the surf swim, and

**Trent** took out the gold in the ironman, and silver medals in the board race, ski paddle and beach sprint as well as bronze in the surf swim!

Everyone else achieved a top 6 place in at least one event!

**Well done Macs Masters - making us proud again!!**

## JUNIOR CLUB CHAMPIONS 2018/19:

## STREETS SURF BOAT SERIES - ROUND 7 | 16 March 2019 @ Soldiers Beach

The last round for the series saw some fantastic results for MacMasters Beach SLSC Boat crews:

### RESERVE MEN *Fat Dads* - 4th place

Good results for the *Fat Dads* after missing three carnivals and with one of the crew still injured, they still managed to pull off 4th overall. The *Fat Dads* were also selected to represent our Interbranch team - looking for a strong season in 2019/2020!

### U23 MEN *Skins* - 2nd place

The *Skins* should have been in the U/19 based on age but were competing up in the U23s division and had a great result finishing 2nd overall!

### U19 MEN *UFCs* - 1st place

Another great result for the *UFCs* coming in 1st overall. This team was also selected to represent on the Interbranch team and will now move up to the U23 in 2019/20.

### U19 MEN *Mirage* - 6th place

The first year together for this team saw some good results come a long way. Throw in another year or two in the U19s and we look forward to some great results from this team!

### U19 WOMEN *Mai Tais* - 2nd place

With a controversial 2nd place for the girls, they had a great year and were also selected to represent the Interbranch team!

### U19 WOMEN *Divas* - 3rd place

Welcoming a new crew member in the team and the *Divas* finished off the year of strong with a 3rd overall.

## AUSTRALIAN BOATS TITLES | 3-7 April 2019 @ Broadbeach/North Burleigh QLD

Excellent results from the Aussie Titles with the **U19 Men *UFCs*** reaching the semi-finals and the **U19 Women *Divas*** bowing out in the quarter final. Congratulations to both teams for performing so well on the national stage!

## *In the Macs IRB with: Tim Morris*

Each month we will catch up with different Macs SLSC identities to find out why they are involved in our great Club and what makes them tick.

Let's chat with our **Website Coordinator and Patrol Member, Tim Morris.**

### **How long have you been a member at Macs SLSC?**

**TM:** Since our oldest daughter joined as a nipper nine years ago.

### **What first attracted you to Macs Beach SLSC?**

**TM:** I was introduced to the beach by a friend and really liked the atmosphere and location. I love that surf life saving provides a fun safe environment for the kids, teaches them new skills and how to be safe on the beach and in the surf, but also how to make a positive impact by learning how to save lives.

Most of all I love the opportunity for me to get actively involved in the movement has meant I am also learning new skills and getting an opportunity to do my bit for the community. First year that Charlie did nippers, I got my bronze. It was the best decision I could have made. I get to swim and surf with the kids (often to their great amusement when I'm on the board!). My children love patrols and we have developed a fantastic bond with the club, the members and the beach goers as a result.

If I could recommend anything to the parents of children in Nippers ..... it is to get involved!

### **What volunteer role/s have you been involved in at Macs before becoming an age manager?**

**TM:** There are so many things you can do to get involved at Macs. Most take next to no time or effort, but have a big impact combined with others. Personally I am a part of the best patrol at the club (Vince's Patrol 7!). I have helped age managers and do water safety. I project managed the design and implementation of the new MacMasters Beach SLSC website and am now learning how to operate the audio visual systems at the club.

### **Strangest place you have swum?**

**TM:** I'd have to say a river near Rotorua in NZ - there was a bend in the river where we were warned not to swim at as the water was at boiling point right in the corner and would burn you. This was in the middle of winter and in a very cold river. Bizarre!

### **Favourite footy team?**

**TM:** North Melbourne Australian Rules Football Club. They are celebrating 150 years this season!

### **Favourite SLSC competition event?**

**TM:** The Masters and particularly water events. I did my first carnival last year and wished I had been involved earlier given how much fun I had. Anybody who wants to have a go they cater for 35-70+ yr olds - heaps of fun.

### **Favourite menu item on the Barefoot Cafe menu?**

**TM:** Our kids would say hot chips - a must as a treat on Patrol!

### **Preferred beverage from the Macs Beach Bar?**

**TM:** That's easy, best beer from the coast, on the coast and on tap at Mac's is the Six Strings Pale Ale!

### **What do you enjoy most about Macs?**

**TM:** The community! We started to get the kids fit, learn about the beach and how we can be safe while having fun, but we have got so much more. Macs is an outstanding club, with a friendly community spirit that makes for one of the best environments on the coast. What makes it so special is all the people involved and all the varying areas of interest they bring to the club - everyone coming together and sharing ideas and interests are what makes Mac's so special.

# #Safeguarding - Child Safe Standard Number 5

## Human Resources - People working with children are suitable and supported.

- A) Recruitment, including advertising and screening, emphasises child safety.
- B) Relevant staff and volunteers have Working With Children Checks.
- C) All staff and volunteers receive an appropriate induction and are aware of their child safety responsibilities, including reporting obligations.
- D) Supervision and people management have a child safety focus.

## #Safeguarding Online Training

As we continue to raise awareness of #Safeguarding our young members at MacMasters Beach SLSC, we are encouraging everyone in the club, particularly the executive, coaches, age managers, junior activities managers and trainers, to participate in a free online training course, to remind them of their responsibilities in looking out for our young members.

#Safeguarding has been a key topic since launched at the SLSNSW State Conference in July 2018. Our club has received information on safeguarding – focusing on making a commitment and following the Codes of Conduct. The next step in our implementation is a focus on raising awareness and educating members.

The more people who are aware of the signs of abuse and what to do if they notice them, the more able our organisation is to provide an environment which protects children and young people. Surf Life Saving has two key resources to assist with this:

1. [The Online Safeguarding Training course](#): This **free** online course takes around 20 minutes to complete and provides practical examples and scenario-based training. It aims to increase members' awareness of child abuse and child protection, and to improve their confidence to be able to take appropriate action when they become concerned for the safety of a child.

2. [The Safeguarding Guidelines](#) have been developed to complement this training by providing written information about abuse, indicators of abuse and how to report. These guidelines also include information from the SLS Codes of Conduct as promoted in Step 2 of the Safeguarding Children & Young People roll-out.

Thanks in advance for your interest and participation.
