President's Report with Alan Blackman

HAPPY NEW YEAR!!

Happy New Year to everyone and welcome to 2020! I hope the new year brings joy, happiness and fulfilment to all our members.

VOLUNTEER PATROL MEMBERS AND BAR WORKERS

Our patrol members have been busy on the beach helping to keep everyone safe, especially with so many visitors over the holiday season. I want to thank those members who volunteer to patrol our beach, especially on Christmas Day, well done to each of you.

The club house is very busy with lots of events and activities. Plenty of patrons enjoying the terrace, cafe and our bar. Our volunteer bar staff do an amazing job during this busy time of year. If you are visiting our bar please give the bar staff a big thank you!

CHRISTMAS AND BUSHFIRE APPEAL PRESENTATION

Our Christmas Carols evening was a huge success combining with the Twilight Nippers, Santa and our annual volunteer drinks. A big crowd enjoyed the evening.

A highlight for me was presenting a cheque to the Salvation Army Bushfire Appeal for \$12,496 which was raised by our community and the Surf Club to help support those impacted by the widespread and intense bushfires.

Mac's Bushfire Fundraiser in December 2019

A fabulous night and a big thank you to all those that attended our Bushfire Fundraiser where we raised \$12,496! It was great to see so many faces from all parts of the MacMasters community to dig in and help our unfortunate fellow Australians affected by the bushfires.

We were entertained by the Charlies who donated their time, in fact it was Andrew Charlton's idea to hold the event. For those who don't know Andrew, Clare, Emma and Simon lost their house in the 2013 Blue Mountain bushfires.

DISASTER APPEAL

Along with door entry we raised funds through auctions, closest coin to the bottle competitions and raffles.

The success of the night was only made possible by all our generous sponsors and donors including:

Robin Brown Heartwork | Custom Cubbies | Kincumber Golf and Driving Range
Patio World | Six Strings Brewing | Block and Tackle, Kincumber Hotel

NIPPER CARNIVAL | 3 November 2019 @ Umina

It was a beautiful day at Umina on 3 November 2019 for the first Nippers Carnival of the season. Conditions were flat - to some kids' relief, but it meant lots of paddling and swimming with no free rides back to the beach!

We had 62 kids compete, the most we've had for the first carnival in a long time. It was fantastic to see so many kids giving it a go. Carnivals are a great way for the kids to have fun, build their confidence and develop friendships.

All of the kids deserve to be congratulated on their performances, but special mention to the following kids who placed in the top 6 (and hence earned points for the club):

The Under 8s do not do finals but rather receive ribbons for their place in the heats. This ensures that it's a quicker, more enjoyable experience for the youngest competitors.

Last, but not least, a special thanks to our officials on the day - Amanda, Frank, Hayley, Jacki, Matt, Melissa and Suzanne. Each club has to provide 1 official for each 9 competitors.

Without these wonderful volunteers our children wouldn't be able to compete. We desperately need new people to train as officials as many of our current officials have children who are in U15 and will not be competing at Nippers carnivals from February 2020.

NIPPER CARNIVAL | 1 December 2019 @ Terrigal

Another beautiful day greeted us at Terrigal for the second carnival of the season on 1 December. Macs had an incredible turn out of 71 competitors and 8 officials.

Unfortunately a swarm of bluebottles and other stinging sea creatures also decided that Terrigal was a nice place to spend the day! As a result, the decision was made to cancel many of the water events. Lots of kids were disappointed about this, but some took the opportunity to compete in beach events that they don't usually have time for.

They had a great time hanging out, burying each other in the sand and tackling unsuspecting age managers whilst they waited for the mixed beach relays! All of the kids deserve to be congratulated on their performances. Many kids improved on their results from the first carnival or took part in new events - well done!

It was also fantastic to see kids stepping up to help older age groups create teams. Special mention to the following kids who placed in the top 6:

MARHPAST TEAM: 3rd MacMasters Beach

2019 NSW INTERBRANCH CHAMPIONSHIPS | 7-8 December 2019 @ Bulli, South Coast

In December, the Central Coast Interbranch Team travelled down to Bulli Beach to compete against other NSW branches in the 2019 State Interbranch Championships.

Bree J, Hamish T-M, Jerome D and Skye H from the Under 13s represented MacMasters Beach on the Central Coast team. They travelled down on a bus together and stayed in a caravan park across from Bulli beach.

Each competitor was given Central Coast swimmers, shirt, jumper and a hat to wear all weekend and learnt cheer songs to sing loudly in support of their team.

On Saturday individual events were held, with team events on the Sunday - so much fun!

The conditions in the water were very tricky with massive waves dumping on the shallow sand bank. It was exciting although sometimes freaky being out in the water! Some events were even cancelled because of the conditions.

The beach events were also very exciting with some amazing results achieved.

It was such an honour to be part of an amazing weekend and to represent Central Coast is very exciting.

So keep on training Nippers you might go one day too!!!

Our Life Members with Pat Roberts

From its humble beginnings in 1945, our Club has grown from one with a small handful of Life Savers who patrolled on Sundays and Public Holidays with a reel to perform rescues - to a Club with a current strength of 12 patrols. Patrols today are equipped with the latest equipment and technology - IRBs, rescue boards, oxy-vivas, defibrillators, ATVs, radios, iPads, mobile phones - patrolling every Saturday, Sunday and Public Holidays from September to May - we certainly have come a long way!

We should always remember our past and the contributions made by those who have made our Club what it is today - *'the best little Club on the Coast'*. Our Life Members have all helped shape the course of our Club.

I have gathered information for these feature articles from trowelling through Annual Reports, hand written notes and talking to people. These bios will be placed on our website for generations to come, so accuracy is very important – if there are errors/omissions now is the time to email me (vinceroberts32@bigpond.com) with your information. We need to be vigilant about our record keeping; as today's records will soon become our only link to the past.
