President's Report with Alan Blackman

COVID-19 VACCINATION POLICY

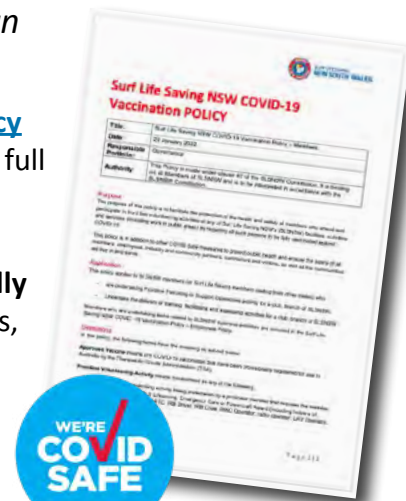

Surf Life Saving NSW has issued the [Covid-19 Vaccination Policy](#) which applies to all surf clubs in NSW. The policy is included in full at the end of this edition of Point Break.

The key requirements are:

- from **23rd February 2022** all frontline volunteers must be **fully vaccinated (2 doses)**, this includes Patrol Members, Facilitators, Trainers and Assessors.

- by **31st October 2022** your **vaccination record must be lodged on SurfGuard**

Please read the policy and make sure you comply. If you are eligible for your booster shot, please book in and get yours. I have mine!

ANNUAL 'VIRTUAL' DOOR KNOCK

Our [virtual door knock](#) is underway, please spread the word and give your support. **We are nearly half way to achieving our fundraising goal!**

TSUNAMI SUNDAY

Sunday 16th January saw all beaches in NSW closed due to Tongan volcanic eruption and subsequent tsunami warning. It was the first time the Tsunami Policy which SLS NSW has in place was brought into action.

While there was no obvious tsunami impact at Macs, the day saw huge swells and dangerous conditions all day which would have normally closed the beach. Patrol members were kept very busy with a large number of preventative actions as many people still entered the water.

BOAT CARNIVAL AT MACS

Last weekend we saw lots of action and excitement at Macs when we hosted the surf boat carnival. Well done to all our boat crews and thank you to the team of volunteers who made this happen!

BRANCH CHAMPIONSHIPS

Lots of carnival action this month for our Junior, Open, Masters and Boat competitors giving their all at the Branch Championships across the region. **Good luck to all our competitors!**

Congratulations Emily! Junior Lifesaver

Donate: Macs Annual Door Knock

Congratulations Emily!

Last weekend at the Central Coast Junior Branch Carnival, **Emily Rose** from MacMasters Beach SLSC was announced as **Junior Lifesaver of the Year** alongside Jett Avis from North Avoca SLS. This award recognises the outstanding contributions of volunteering and lifesaving these members have achieved as U14 members and Nippers.

Newcastle Permanent is the major sponsor of this great event and there were 22 nominees from across the Central Coast SLS Clubs who participated in the rigorous interview and skills selection process. **Well done Emily!**

MACS ANNUAL DOOR-KNOCK

Thank you so much to the many very generous donations that we have already received for our **Annual 'Door-Knock' Appeal**, the second of which we have done under Covid conditions. This major fundraising event is virtual again this year making it easy to jump online and donate through our portal. At the time of writing, we are nearly half way to reaching our target of \$10,000! **Thank you!**

The door-knock is a critical part of our annual fundraising activity. The funds donated support both our life-saving activities and our extensive capital works program, which in the last year saw us replace the old roof, repair salt-damaged roof infrastructure and replace the old roller doors. The Board has other major projects under consideration, including a new cool room for the bar and a permanent fix to the sewer pipe issues for the rear toilets.

Our aim was not to 'waste a crisis' and to use the relative downtime of Covid to undertake needed capital works to serve the Club for the decades to come.

To that end, your donations are most welcome to help us achieve this!

MAL RAFFLES

Another impact of Covid and weather and the lower than usual bar patronage has been an impact on our raffle ticket sales. The Board has decided to delay our final Mal draw so we can make use of the Easter and Anzac Day holiday period and allow more opportunity for members and visitors to access tickets.

Fair warning that we will be tapping Rookies, Duke and Boaties on the shoulder to help with sales. Thank you so much to all our board donors:

[Roslyn Donohoe Photography](#)

[@inlayzaus](#)

[Barefoot Cafe, MacMasters Beach](#)

Another usual feature of our 'normal' summers are our weekly Friday night seafood raffles, courtesy of Pete and Sue Offner at Seacoast Fishing. Again, affected by Covid this year, we expect to see them back bigger and better than ever in the next year!

MACMASTERS BEACH SLSC 2022 ANNUAL DOORKNOCK APPEAL

All donations over \$2 are tax deductible and you will be emailed a receipt.

Supporting us to support our local community!

From the Deputy President cont' with Matt Hingerty, Deputy President

CLUB SPONSORS

MacMasters SLSC has always been very generously supported by our club sponsors, both private businesses and governments.

Over the Covid period many of our sponsorship agreements expired, however given the economic situation we simply rolled over or extended existing agreements on a monthly basis.

The Board has now asked me to put together a prospectus for new and continuing sponsors and that is underway. If you are aware of a potential sponsor or donor, please reach out to me in person or via email at deputypresident@macmastersbeachslsc.com

Across the Bar with Di Brown and Michael Bambridge

HAPPY NEW YEAR EVERYONE!

Let's hope things continue to get back to the new normal! January saw a lovely combination of visitors and locals enjoying being covid safe outdoors whilst supporting the bar.

We have a number of new items including an ultra low alcohol beer, come down and check them out!

Feb Fast? Don't let that stop you coming down to the club - there's a couple of great non alcoholic beers chilling in the fridge for all to enjoy.

Not long now until footy season! Stay safe!!

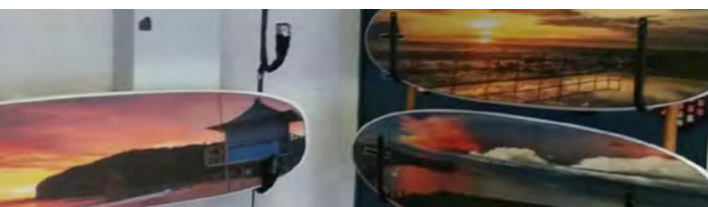

FINAL MAL BOARD RAFFLE!

Thank you to all our generous sponsors who have collaborated and donated the Mal boards to our Club for the annual raffles. Your support is greatly appreciated.

Only one board left - get your tickets quick!

Tickets are on sale at Macs Bar on Fridays and Sundays evenings or at Nippers on Sunday mornings. Tickets are 1 for \$5 or 3 for \$10.

Drawn on ANZAC Day 2022.

Members Matter *with Alison McNeill, Director of Member Services*

NIPPERS

Nippers is back in full swing with regular nippers and more carnivals to finish off the second half of the season. Thank you everyone for your efforts this season to keep our nippers covid safe but still a lot of fun for the kids.

Our Age Managers, water safety and officials deserve our greatest appreciation. Please consider helping out more with our nippers - the more the merrier!

SURFBOAT SERIES AT MACS

On Saturday the 12th of February, MacMasters Beach SLSC hosted the Surfboat Series competition. It was wonderful to see the Central Coast and Hunter boats in action on our beach. Thank you to all our volunteers - we needed all hands on deck! It was a huge day and we will have all the action in next month's of Point Break.

NIPPERS PRESENTATIONS

The last day of nippers for this season will be the Sunday 6th March. We will finish at 10.30am and then have our presentation ceremony for the Under 6s and 7s (and those 5s who have been coming along to nippers too!). We are planning it for outside the grassed area near the BBQ. All our families are invited to come along and see our little ones receive their awards.

We are currently considering different options for a COVID safe Junior Presentation so keep an eye out in the coming weeks for information and details.

DUKE OF EDINBURGH AWARDS

Duke of Edinburgh participants - you should be filling in your logbooks! DoE kids have been busy on patrols and helping with the Prawn & Oyster fundraiser that was held early January.

We were able to have two Bronze camps in the last few months, but unfortunately the Gold camp, scheduled for the Snowy Mountains in January, was postponed due to COVID.

If any members are around 14 years of age and would like to start their Duke of Edinburgh award - please find Geoff Dominguez, Andrew Duck or myself for more information.

DUKE OF EDINBURGH NEW LEADERS NEEDED

It is a lot of work for our 4 leaders so please consider joining the team! You don't need to be a hiker or a camper to be a helper - just a willingness to learn the computer side to help with logbooks and processing.

PRAWN & OYSTER LUNCHEON

The annual Prawn & Oyster Luncheon was a huge success! We had a cap on 80 attendees and raised a lot of money for the surf club on the day - but even more importantly - a great time was had by all!

An enormous thank you must go to **Ken Scriven** who took charge of organising all the delicious food.

Thank you to [Seacoast Fishing](#), our local seafood store on the road to MacMasters Beach, for the scrumptious prawns. Peter at Seacoast donates all our seafood trays for our raffles over the summer holidays.

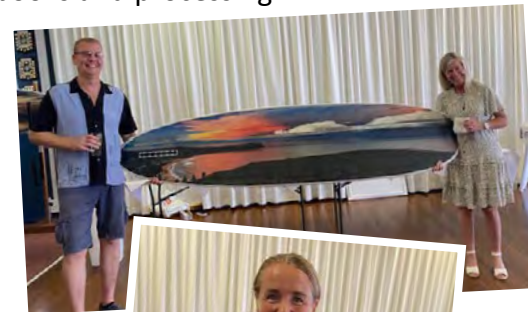

We thank our sponsors who donated prizes for the event:

→ [Dburge Surfboards](#), [Kincumber](#), [Roslyn Donohoe Photography](#) and [@inlayzaus](#) for our major Mal Board raffle | *Congratulations to the lucky winners, Jules and Dan*

→ [Verui Hotels](#) for donating an exclusive Holiday Package | *Congratulations to the lucky winner, Kylie*

→ **Macs SLSC** for donating the Macs Skull Cap Screen Print by Clubbies Prints | *Congratulations to the lucky winner, Sharon*

Thank you also to all the **helpers** on the day but special thanks must go to our incredible powerhouse that is **Graham 'Jono' Johnston** - thank you for your tireless work behind the scenes to support our club and members.

Membership Matters con't with Alison McNeill, Director of Member Services

MACS PRINT FUNDRAISER

We ran a Macs Print fundraiser in the lead up to Christmas. Clubbies Prints produce the gorgeous prints of our club skull cap on art card ready to be framed. We have one up in the clubhouse.

We will process another order if there is interest, so if you would like one, please email me. Cost \$150 unframed.

MACS VOLUNTEERS - THANK YOU!

A huge thank you to everyone involved with running the bar over the summer period - we have certainly enjoyed the atmosphere, the views and the opportunity to catch up with people.

Thank you to all our patrol members, water safety and, anyone and everyone who works so hard to keep our beach safe and our club running.

Thank you!

NEW VOLUNTEERS

We are always on the lookout for more volunteers to help out with all sorts of aspects of our wonderful little club, so if you would like to do something to help, please see myself or any of the Directors. We really need to get a **social committee** up and running - to run a bigger events in the winter and book some bands for next summer and anything else you can think of!

Bar Staff are always needed too - a great way to learn new skills and catch up with everyone!

Of course if there's anything else, please email me at memberservices@macmastersbeachslsc.com

Take care and enjoy our wonderful Club - Alison McNeill

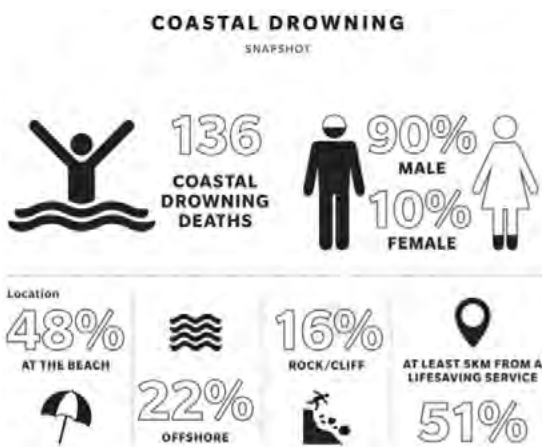

Education and Training with Lyn Drummond, Director of Education

It's been a very busy summer with beach attendances high on most days at MacMasters through January. So far this season we have done 405 preventative actions and almost 20 rescues so all the training and requals have certainly been worthwhile!

COASTAL DROWNING STATISTICS

Surf Lifesaving Australia reports that tragically, there have been 35 coastal drowning deaths this Summer (1 Dec 2021 - 23 Jan 2022) which is higher than both this time last year and the ten-year average for the same period, with thousands more people rescued or provided assistance by surf lifesavers and lifeguards.

For all the latest coastal drowning trends click here for the [2021 National Coastal Safety Report](#).

RIPS

The rips at Macs are a big danger for inexperienced beach goers.

Can you spot a rip? The five common signs of a rip current are:

- deeper darker-coloured water
- fewer breaking waves
- debris floating seaward
- a rippled appearance, surrounded by smoother water
- foamy/dicoloured sandy water extending beyond the surf zone.

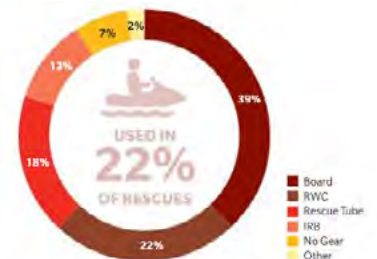

Figure 24
2020/21: EQUIPMENT USE IN RESCUES
Boards were used in 39% of rescues, followed by RWCs (22%) and rescue tubes (18%).

Check out this SLS video on how to spot a rip: [How to Spot a Rip](#)

Please take time to share your knowledge with our many visitors.

It could save a life!

Mac's Surf Boat Action *with Craig 'Bunks' White, Boat Captain*

CC&H SURF BOAT SERIES - ROUND 4 | 29th January 2022 @ Redhead Beach

With carnivals cancelled at the start of January our crews were eager to row in the Central Coast/Hunter round at Redhead on Saturday 29th January.

It was a good day racing with a strong current on the shore, a shore break to contest and a good bank out the back with some nice waves coming through. A great first carnival of 2022 to clear out the cobwebs!

NEW OAR SPONSOR: STAR GROUP AND DICKINSON FOUNDATION

[Star Group](#) paired up with the Dickinson Foundation to sponsor a new set of oars. We'd like to thank both Star Group and the Dickinson family for this valued addition and we look forward to sharing some photos with our freshly painted blades in action next month.

NEW BOAT SPONSOR: POLYTEC

Some very exciting news for the boaties with a boat and set of oars being donated. We would like to extend a huge thank you to Michael Borg and the team at [Polytec](#) for sponsoring the latest boat for our section.

polytec

The boat feels great to row and we look forward to taking the Polytec Boat to its maiden carnival at Redhead.

[Polytec](#) have an ongoing relationship and continuously support the McGrath Foundation, who fund Breast Care Nurses to support individuals and families experiencing breast cancer. We are very proud that this boat is a part of the Polytec campaign to raise awareness for the McGrath Foundation, and hope that each time our crews take to the water we can grow the awareness and support for the incredible work the McGrath Foundation do.

PHOTO: Richard Black

Competition Corner with Kylie Dickinson, Director of Competition

January and February has been so busy for our Juniors, Opens and Masters. We have attended A LOT of carnivals and events for the Newcastle Permanent Ironperson!

To record every detail would take up too much space in Point Break, so here are the highlights:

NEWCASTLE IRONPERSON SERIES

First and fourth place overall for **Claire H** (U17s) and **Amber G** (U10s) respectively for Newcastle Permanent Ironperson series.

An amazing effort, and congratulations to all our competitors who gave it a go.

CENTRAL COAST BRANCH TITLES

Two silver medals at Branch Titles for beach sprints - **Amber G** and **Mia F**. *Congratulations!* Not easy as everyone steps up the effort for Branch.

JUNIOR KILLCARE CARNIVAL

Bronze at the Killcare carnival in the U10s beach relay. The U8s cleaned up in the ribbon department with **Spencer S** receiving 4 ribbons, **Archer L** receiving 2 ribbons and the **boys wade relay and beach relay teams** came 2nd and 4th!

THANK YOU!

Thank you to all age managers, officials and water safety that helped out over the many days of competition. *The club really appreciates your support as I am sure the kids do too!*

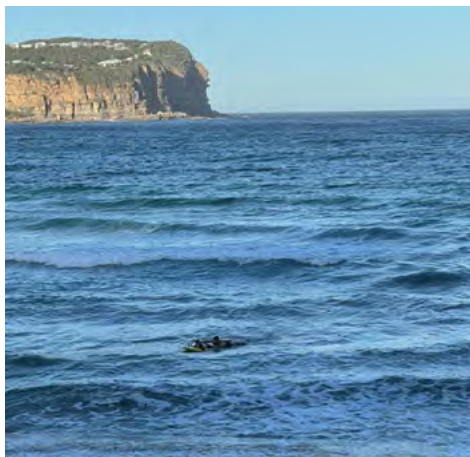

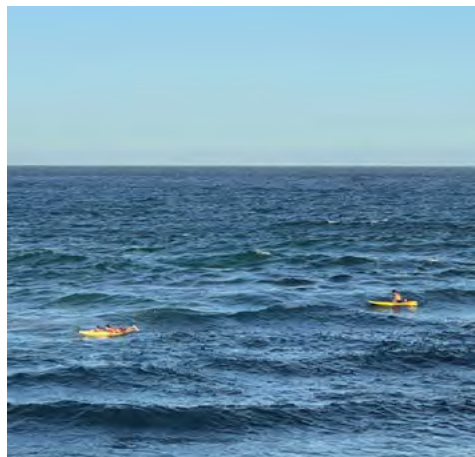

STATE TITLES

The State Titles for everyone starts in 2 weeks at Queenscliffe. We wish our small band of competitors all the luck in the world but mostly we hope you have a great time! **#gomacs**

'Off Duty' Rescue

It was a normal Friday night at Macs at the end of January. Wade and Mark were enjoying a Friday night beverage at Macs bar following a boat crew training session. Two youngsters from Kincumber went out on their boogie boards in the rip and quickly became distressed as they were taken quite far out.

Wade and Mark sprang into action, quickly grabbing two rescue boards and headed out. We now have two very keen and appreciative recruits for nippers!

Duke of Edinburgh - Bronze Camp

Duke of Ed Bronze Camp | 6-7 January 2022 @ Patonga Ck / Rocky Ponds

Leaders: Andrew 'Duckie' Duck

Helper: Suzie

Participants: Emily, Ben, Ashton and Spencer

Location: paddled to the top end of *Patonga Creek*, hiked on a slightly overgrown track to *Rocky Ponds* and back. The next morning we hiked from *Patonga Beach* to *Elephant Rock*.

Conditions: rain forecast and overcast but overall great hiking conditions and relatively dry!

Start location: Patonga

Finishing location: Patonga

Highest point: 197m - Rocky Ponds

Lowest point: 0m - Nipper Island

Best meal: Whiting fish - caught and cooked by Emily

Worst meal/fail: Noodles

Handiest item packed: Cards/Uno, Nipper pump, fishing rod

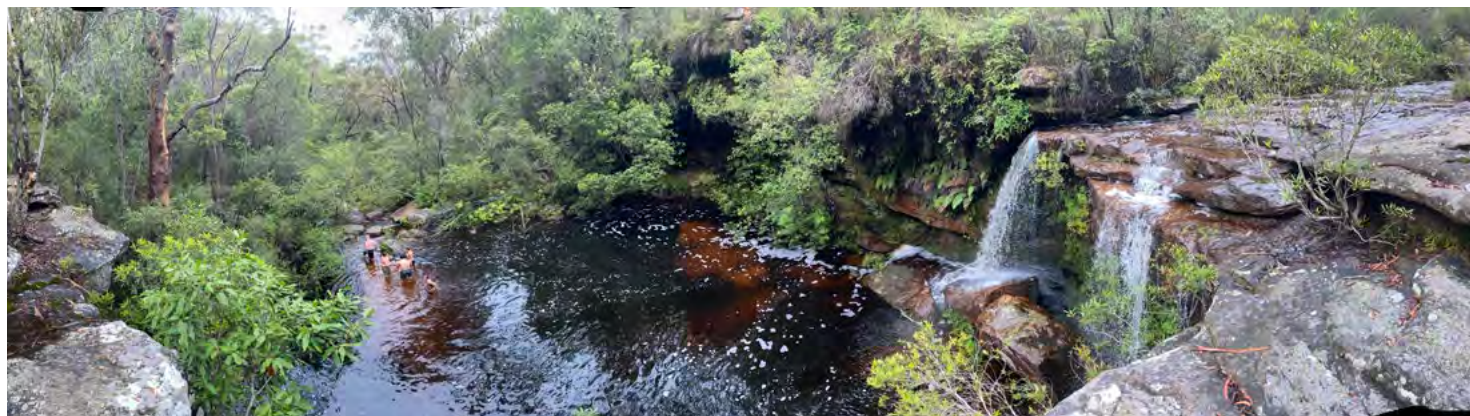

Equipment fail: fibreglass oars - ouch!

I wish I had brought: marshmallows!

Wildlife: sea eagles, brush turkey, pink nippers, whiting, snake, leeches, sandflies, hoppy joe ants, stingrays, soldier crabs, mudcrabs

Funniest line: '..... Ashton's fault' said approximately 31 times!

Biggest challenge: Keeping the fire alight with wet wood!

Proud to deliver

Time to give back to your Club | How will you be involved?

belle

PROPERTY

In the Macs IRB with: Bill Queripel

Each month we catch up with different Macs SLSC identities to find out why they are involved in our great Club and what makes them tick. This month we chat to one of our favourite Masters competitor, lifesaver and long time member, Bill.

How long have you been a member at Macs SLSC?

BQ: I have been a member for 18 years.

What first attracted you to Macs Beach SLSC?

BQ: My daughter Caitlin started nippers in the U/9s ... Jono soon approached me and got me involved!

What volunteer role/s have you been involved in at Macs?

BQ: Gear steward, Board 'assistant' coach, patrolling member and current Captain, water safety and I also received the Hall of Fame Award for resuscitation skills I learnt at Macs SLSC!

Strangest place you have swum?

BQ: The Lido at Hyde Park in London with all the ducks and the geese!

Favourite footy team?

BQ: The Wallabies!

Favourite SLSC competition event?

BQ: The swim - and I'm a state Masters medallist!

Favourite menu item on the Barefoot Cafe menu?

BQ: Chicken fillet burger.

Preferred beverage from the Macs Beach Bar?

BQ: Chardonnay.

What do you enjoy most about Macs?

BQ: I love patrolling the beach with my friends and family, and the opportunities the surf club gives to us all to keep the community safe.

Now you know a little bit more about Bill - have a chat next time you see him around!

Surf Life Saving NSW COVID-19 Vaccination POLICY

Title:	Surf Life Saving NSW COVID-19 Vaccination Policy – Members
Date:	20 January 2022
Responsible Portfolio:	Governance
Authority:	This Policy is made under clause 43 of the SLSNSW Constitution. It is binding on all Members of SLSNSW and is to be interpreted in accordance with the SLSNSW Constitution.

Purpose

The purpose of this policy is to facilitate the protection of the health and safety of members who attend and participate in front line volunteering activities at any of Surf Life Saving NSW's (SLSNSW) facilities, activities and services (including work in public areas) by requiring all such persons to be fully vaccinated against COVID-19.

This policy is in addition to other COVID Safe measures to protect public health and ensure the safety of all members, employees, industry and community partners, contractors and visitors, as well as the communities we live in and serve.

Application

This policy applies to SLSNSW members (or Surf Life Saving members visiting from other states) who:

- are undertaking Frontline Patrolling or Support Operations activity for a club, branch or SLSNSW.
- Undertake the delivery of training, facilitating and assessing activities for a club, branch or SLSNSW

Members who are undertaking tasks related to SLSNSW business activities are included in the Surf Life Saving NSW COVID -19 Vaccination Policy – Employees Policy.

Definitions

In this policy, the following terms have the meaning as set out below:

Approved Vaccine means any COVID-19 vaccination that have been provisionally registered for use in Australia by the Therapeutic Goods Administration (TGA).

Frontline Volunteering Activity means involvement as any of the following:

- I. Surf Life Saving patrolling activity being undertaken by a proficient member that requires the member to be the holder of a SLS Lifesaving, Emergency Care or Powercraft Award (including holders of: Bronze Medallion; SRC; ARTC, IRB Driver, IRB Crew, RWC Operator; radio operator, UAV Operator, ORB, JRB)
- II. Support Operations Personnel

III. Facilitators, Assessors, Trainers

Fully Vaccinated means having obtained the manufacturer's recommended initial dosage of any Approved Vaccine. For example, where a two-dose schedule is recommended by the manufacturer, a person will be considered fully vaccinated when they have received both doses of the vaccine. Note, at this time, Boosters do not form part of fully vaccinated requirements.

Recognised Contraindication means a Medical Condition or reaction to an Approved Vaccine that is recognised by the manufacturer of that vaccine and has been confirmed and documented by an approved medical practitioner.

Requirement to be vaccinated

As of **23 February 2022**, it will be a requirement for any Frontline Volunteer Patrolling activity, Support Operations activity or training, assessing and facilitating activity that the Member must be fully vaccinated against COVID-19, unless they have been granted an exemption by SLSNSW in accordance with this policy. Vaccination must be undertaken on the advice of an accredited health practitioner (including health practitioners at any authorised COVID-19 vaccination centres).

All those undertaking these activities will be required to provide evidence acceptable to SLSNSW of being fully vaccinated.

From **23 February 2022** we will accept for these purposes proof of vaccination through the Service NSW app, your COVID-19 Digital Certificate, or if you do not have one, your Immunisation History Statement. These documents should be sighted by the supervisor at the SLS activity you are undertaking (eg Patrol Captain, Support Operations Coordinator, Club President or delegate)

Note: We are currently working with Surf Life Saving Australia to make upgrades to SurfGuard and the Members Portal. We expect this work to be completed in coming months and you will be required to lodge your 12-digit COVID-19 Digital Certificate number by **31 October 2022**. We will advise members when this facility becomes available.

If you require assistance lodging your 12-digit COVID-19 Digital Certificate number, please email covid19@surflifesaving.com.au for assistance.

Exemptions

We understand that not all members will be able to receive an Approved Vaccine, due to medical conditions for which there is a Recognised Contraindication to receiving any of the Approved Vaccines.

Any members who have such a medical condition are required to provide a medical contraindication certificate. SLSNSW reserves the right to contact the issuing medical practitioner to verify the authenticity of any such medical contraindication certificate.

Any member who is unable to become fully vaccinated for any other reason, including by reason of a sincerely held religious belief, religious practice or religious observance, must email covid19@surflifesaving.com.au prior to 23 February 2022. Requests for an exemption will be considered by SLSNSW on a case-by-case basis.

In order to ensure the health and safety of members at SLSNSW's activities and events, members granted an exemption may be subject to conditions or restrictions related to their role.

Information provided to SLSNSW

Any information provided to SLSNSW in accordance with this policy will be treated confidentially and will be used only for determining compliance with this policy,

Any Member who provides information to SLSNSW in accordance with this policy is expected to provide accurate and truthful information to us. Failure to do so will be considered serious misconduct and may result in breaching the SLS Code of Conduct which may result in disciplinary action as per the Complaint Resolution Policy.

Obtaining information about vaccination

We advise you in the first instance to consult with your accredited health practitioner about any concerns you may have in relation to receiving an Approved Vaccine, including the process for obtaining an Approved Vaccine.

Information about making a booking to receive an Approved Vaccine can be found:

New South Wales	https://www.nsw.gov.au/covid-19/health-and-wellbeing/covid-19-vaccination-nsw/get-your-covid-19-vaccination-nsw
------------------------	---

Compliance

While we hope that all members will comply with this policy to keep themselves, each other and the public safe, we do recognise and respect the fact that some will choose not to be vaccinated.

Unfortunately, this may mean that those participating in Frontline Volunteer Patrolling; Support Operations or Training, Assessing and Facilitating activities who fail to comply with this policy will be subject to restrictions around what roles and tasks they can do as a Member of SLSNSW.

If a Member is not fully vaccinated, we reserve the right to refuse access to Surf Life Saving Frontline Volunteer Patrolling; Support Operations or Training, Assessing and Facilitating Activities

Operation of this policy

SLSNSW will be continuously monitoring and assessing the operation of this policy in line with the latest information from Government and health authorities. SLSNSW may amend, withdraw or replace this policy from time to time at its sole discretion.
