SMART DRUM LINES ON THE COAST AND AT MACS

Smart drum lines are now in place along the Central Coast, you will see the orange bouys off our beach. The drum lines are fitted with a transmitter that signal when a shark is caught. The fisheries contractors then have 30 minutes to respond. White, Tiger and Bull sharks are tagged, towed to sea and released. Other species are released on the spot.

CONTACT THE PRESIDENT

With over 500 members, it is a big task for me to get to know every member, and like most of us I have a busy schedule away from the Surf Club.

So if there is something you would like to talk to me about you can always drop me an email on president@macmastersbeachslsc.com or phone me on 0418 331 649.

ANZAC Day *with Vince Roberts*

Our Sunset ANZAC Service was another great success. Fortunately, the rain held off until the service had finished. Special thanks to;

Peter Mace for delivering the ANZAC Day address. He recited three of his poems that were all incredibly moving. 'What a Price a VC' that had him tear up, 'A Veteran at 25' a poem about Chad Elliott a former member of our own Surf Club and 'Lost with All Hands' a poem of about the sinking of the HMAS Sydney II.

The **Brisbane Water Brass Band**, again an integral part of our service with special thanks for the playing of the Last Post and Reveille - hair raising.

Coast Opera Australia - Vivienne McLaren

Jade Crowther - Acknowledgement of Country

Alison McNeill - reading of the prayer

Alan Whelpton - delivering the Ode

Bruce Kerry - Raising of the Flag

Geoff Dominguez, Graham Johnston, Angus Crowe, Sammy Boesen and Danny Drummond for assisting with setting up and moving furniture, and to the club members who assisted on the day with setting up, packing away and cleaning the club forecourt.

Last but not least to my biggest helper, **Pat Roberts** who does so much behind the scenes to make our ANZAC Service so special. In addition to the many behind the scenes tasks from compiling and printing the program, helping with setting-up, poppy displays, sourcing rosemary, inviting dignitaries and much more.

Wreaths were laid by;

- Adam Crouch - State Member Terrigal
- Lucy Wicks - former MP Robertson
- Dr Gordon Reid on behalf of Senator Deborah O'Neill
- Alan and Helen Whelpton
- Emily Rose and Sonny Elliot - MacMasters Beach SLSC
- Barbara Wills - MacMasters Beach Progress Association
- Helen Waterhouse and Evelyn Fabri - MacMasters Beach Ladies Club
- Craig Roberts - Captain MacMasters Beach Rural Fire Brigade
- Daryl Le Strange and Pat Parish - MacMasters Beach Garden Club
- Hamish Mark and Carys Nevin - Kincumber Public School School Captains

Thank you to all who attended this special commemoration.

Competition Corner *with Craig White, Boat Captain*

AUSSIE SURF LIFE SAVING CHAMPIONSHIPS | 6th April 2022 @ North Kirra QLD

The season came to an end for our boat crews at the Aussie Titles early April. We had 4 crews travel to Queensland for the titles: Reserve Mens - *The Fat Dads*, U/23 Mens - *The Whippets*, U/23 Mens - *Mongrels* and U/19 Womens - *The Minis*.

There were a few changes to the week with the venue moved from Broadbeach to North Kirra for the boats. The program also changed due to the expected weather conditions and big surf coming through. This saw the younger divisions and 3 of our Macs crews row down to the medals on the Thursday.

The Minis: What a gutsy crew we have here. By the afternoon block the surf had increased but our Minis didn't bat an eyelid. Swept by Mick, the crew had an eager willingness, which impressed us all, to take on the ocean and caught the wave of the day from the turning can in their last race. The girls missed the cut by a cruel one point, but no doubt a crew to watch in seasons ahead.

The Whippets: This crew put in a solid effort on and off the water. Harsh cuts were in place to get through the revised/shortened program and the testing conditions made it a tough day on the water and the boys were unlucky to miss out on a place in the Quarter Finals.

The Mongrels: In the same situation as the Whippets, the boys were up against it on the Thursday and unlucky to make a quarter finals berth. Hats off to the crew for taking on the conditions and giving themselves every chance to progress.

With their campaign wrapped up on the Thursday these crews, their parents a supporters had incredibly early nights, not one inkling of a night out and barely touched a drink...

Which brings us to the B Crew ... who believe it or not almost did stick to the above sentence (bar a couple over dinner) thanks to an amended program taking them straight into finals day.

The Fat Dads: A tricky run up to Aussies with a few isolations, and un-luckily losing Wade less than 24 hours before they left to covid. Brad, after a 3 year hiatus from rowing, jumped from sweeping at the back of the boat into the front to cover for Wade in the bow. The boys first row was on Sunday morning and they rowed well moving through the elimination rounds and into the quarter finals.

Thank you to the rowers, sweeps, parents and supporters who made the trip with us all. The location change meant we were reliant on transport and appreciate those who not only helped out with transport but supported under the tent at Aussies and to all those throughout the year.

Congratulations to all our crews for the season, for the efforts training, competing, fundraising & on the beach supporting each other.

With the end of the season upon us, I would also like to thank each of our sponsors who contribute to the boat section, we are all very grateful for the support and relationship with you and look forward to catching up in the near future.

I must also mention the Sisters of St Joseph for giving us the space for the boat shed and access to train in such a great location, thanks from all the boat section.

Competition Corner *with Kylie Dickinson, Director of Competition*

MACS SENIOR CLUB CHAMPIONSHIPS | 24th April 2022 @ MacMasters Beach SLSC

April 24th was not only the last Sunday of patrols for the 2021-22 season, it was also the last time our Seniors were able to show off their skills in competition on the beach and in the water. Holidays, broken bones and disease may have kept the numbers low, but spirit and morale were high in those that made it and we were keen to show all on the beach, that despite our lack of training, we could all still perform when it came down to it.

Very things are more beautiful than Jan sprinting along the track, or more fun to watch than the competition for the flag in the 50-59 male category. In the water, the highlight was definitely Fergo absolutely nailing the ride in on the ski, and it is always nice to finally get in front of an U18 on a board when, in the past, she has out-paddled you in every race you have had together.

The final results will be included in our Macs Annual Report after they were announced at last weekend's Senior Presentation. But you should all know, for the first time in a long time, we have a new age champion! We missed all members that weren't there. Who knows, maybe next year some age groups may have more than one competitor - but only if you give it a go!

NIPPERS AWARDS AND END OF YEAR CELEBRATION

For me the Nippers Presentation is bitter sweet. I love celebrating the end of another successful season but also sad that another year has come to an end!

I love seeing all the Nippers, Age Managers and parents coming together to share stories, wins and achievements. We don't only celebrate those who have won age champs or competed at carnivals, we celebrate and encourage those who have tried their best, turned up every week with a smile on their face and shown improvement and courage. **Well done to everyone who participated in the 21/22 season!**

THANK YOU!

I would also like to thank those parents and volunteers who have helped us run nippers every week, supported at carnivals and brought their children down to Nippers every Sunday morning. **We value all your hard work and couldn't do it without you!**

In the Macs IRB with: Craig White

Each month we catch up with different Macs SLSC identities to find out why they are involved in our great Club and what makes them tick. This month we chat to Craig 'Bunks' White, our Boat Captain and long time members and life saver.

How long have you been a member at Macs SLSC?

CW: I have been around Macs before I can remember but I believe officially a member from 1995.

What first attracted you to Macs Beach SLSC?

CW: My family have been involved forever in the club and I also enjoy the culture around the surf club and the competitiveness of the sports SLS promote.

What volunteer role/s have you been involved in at Macs?

CW: My volunteer roles have been limited as I had carried out patrols for over 15 years then went on 'long service' but enjoyed helping people when needed around the club in various positions. I have competed since 1996 with a couple of years out of competition in early 2000's.

Strangest place you have swum?

CW: In front of the Bellagio Casino!

Favourite footy team?

CW: When I was a kid I liked the Tigers but not a huge fan of the footy. Recently I did however, commit to following the Bulldogs but I was under the influence of both alcohol and customer pressure at the time!

Favourite SLSC competition event?

CW: Has to be surf boats (as long as there's waves!).

Favourite menu item on the Barefoot Cafe menu?

CW: Anything with chilli!

Preferred beverage from the Macs Beach Bar?

CW: Bring back Tooheys Old on tap.

What do you enjoy most about Macs?

CW: Having spent some time on the club board I learnt rather quickly there are a lot people behind the scenes who help out to make the club work all year round which helps create the friendliest little club on the coast!

Now you know a little bit more about Craig - have a chat next time you see him around!
