## President's Report with Alison McNeill

### DIRECTOR OF EDUCATION - NEEDED

Now would be the perfect time to step up as our Director of Education! We urgently need someone to take on this role, and as the season is drawing to an end, it would be the perfect time to start learning.

Our previous Director of Education is still on the team as an Assessor and she is happy to provide the training and guidance needed. We have an Education Team delivering the courses, so you would be responsible for attending the monthly Board Meetings, Branch meetings, member follow-ups, checking and submitting paperwork.

You do not need to have any awards or qualifications to undertake this role - just a willingness to help out and organisational skills. Please contact me via [president@macmastersbeachslsc.com](mailto:president@macmastersbeachslsc.com) if you are interested.

### NIPPERS WRAPPING UP FOR THE SEASON

We are nearly at the end of our Nipper season and there have been some wonderful collaborations with our neighbours. Sunday Nippers combined with Copacabana and Killcare nipper crews, as well as carnivals, Club Championships and the list goes on. Thank you to everyone involved in our Nipper program. Junior Presentation is on the 24th March from 2-4pm - come along and celebrate all things Nippers!

### KEEPING US SAFE ON THE BEACH

Patrols have been busy over the summer and these will continue until the Sunday after ANZAC Day.

We are incredibly lucky to have so many dedicated volunteer life savers. We will celebrate you all at Senior Presentation on the 25th May. More details to come.

### VALE JILL CROUCH

Our sincerest condolences have been extended to Adam Crouch on the passing of his wife Jill. We have donated to the National Breast Cancer Foundation in lieu of flowers.

I spoke with Adam, and he is very thankful for the kind words and support from our club.

## Welcome to MacMasters Beach!

### Q&A with the Smith Family

#### What made you purchase in Macmasters Beach?

We have family at Macmasters Beach, so we are very familiar with the area. We loved that we could walk to the beach but still have a sense of connectivity by being located between Gosford and Woy Woy, so really opening up the Central Coast and all it has to offer.

#### Why now?

We are about to welcome a baby boy, number two at the end of March, so we wanted to be closer to family. Also, with a growing family comes desire for extra space, particularly, in our case, a backyard fit for a digger obsessed toddler.

#### Where did you move from?

We moved from Sydney.

#### What's your favourite place in Macmasters Beach

Well firstly to answer on behalf of our 3 year old son - 'Crab Park'. The local playground featuring giant climbing play crabs! It would also be remiss of us not to mention the beach and surrounding Bouddi National Park- It's quite a stunning suburb.

If you see Tim & Peta around, please give them a warm welcome into the community.

Lyn has been a patrolling member of MacMasters Beach SLSC for 20 years, achieving 100% patrol each season!

As most of you will know, Lyn is heavily involved in the training and education for our club. Lyn was the previous Director of Education and is a big part of our Training and Education team who not only deliver the SLS courses and requals but also keep this area of the club going behind the scenes.

Last season, Lyn was awarded the Trainer/Assessor of the Year at the SLSCC Award of Excellence for her efforts.

Congratulations Lyn - very well deserved 🍀🍀

# Gotcha 4 Life - Mental Fitness

**THE GOTCHA4LIFE WORKSHOP:** For the past 2 years we have taken part in the 24 Hour Row and as a club and community have raised over \$20,000.00 for the Gotcha4Life foundation. The money raised goes towards delivering Mental Fitness workshops to clubs, community groups and schools across Australia.

→ **The Kickstarter is an interactive session** that ignites the conversation on Mental Fitness. It will touch on Gotcha4Life's three protective factors; emotional agility, social connection and help seeking behaviours, with activities. This is a free session with the key focus for both clubs being that our members and community have the best knowledge, tools and support to build their mental fitness and the confidence that sharing this together, means nobody worries alone.

# Competition Corner *with Nadine Norman, Director of Competition*

February was a BIG month for carnivals! We saw the completion of the Branch Championships following on from the Juniors, with Opens, Masters and Boats all having their shot at the SLSCC Branch Titles.

## SLSCC BRANCH CHAMPS - MASTERS | 9-10 March 2024 @ Ocean Beach

Our Macs Masters went first on the Saturday at Ocean Beach. Strong winds saw the water events postponed to the Sunday but that didn't stop our group having a blast in the beach events. Sadly, most couldn't return for racing on the Sunday due to the change of date, but hats off to Kevin who was able to take on the surf race!

Thank you to Amanda for jumping as our official once again - *we love having you on the beach with us!*

This was the last carnival for our Masters this season with no one contesting State or Aussies. If you're over 30 years, we'd love to see you become part of the Macs Masters next year. A great group within the club who enjoy the time together and being part of the club and live by - *the older we get, the better we were!*

### RESULTS:

**Jan:** 4th 1km Beach Run, 4th Beach Flags and 5th Beach Sprint

**Joel:** 🥇 2km Beach Run

**Kevin:** 🥇 Surf Race 🥈 1km Beach Run 🥉 Beach Flags and 🥈 Beach Sprint

**Kylie:** 🥇 Beach Flags 🥈 Beach Relay 🥈 2km Beach Run 🥉 Beach Sprint

**Lyn:** 🥇 1km Beach Run 🥇 Beach Sprint 🥇 Beach Relay and 🥈 Beach Flags

**Nadine:** 🥇 1st Beach Relay 🥈 2km Beach Run 🥈 Beach Flags and 4th Beach Sprint

**Sam:** 🥇 Beach Flags 🥇 Beach Relay 🥈 Beach Sprint

**Sarah:** 🥈 Beach Flags, 4th 2km Beach Run and 5th Beach Sprint

**Todd:** 4th 2km Beach Run

## SLSCC BRANCH CHAMPS - OPENS | 10 March 2024 @ Ocean Beach

For her very first carnival representing Macs, we love having Morgan in our team. Morgan represented our Club #TeamMACS in the U17 beach events and had a great start to her competing days!

### RESULTS:

**Morgan:** 🥈 2km Beach Run

## *Competition Corner continued* with Nadine Norman, Director of Competition

### **BOAT CREWS**

Full report following in the boat section but a note here to congratulate all our crews for their efforts at the Branch Champs and both the Open Men and Macs Minis for making the trip to Lorne and representing Macs in the ASRL National Championships 🙌👏

### **SLSNSW STATE CHAMPIONSHIPS**

With the big carnival now next on the agenda, we would like to wish all our competitors luck for the SLSNSW State Championships.

Junior State Champs is being held at Queenscliff from Thursday 7th March to Sunday 10th March. We have Henry and Olivia representing our Junior section. Two very strong competitors in their respected ages and areas who we can't wait to hear how they go at the event! Stay up to date on our socials to catch all the action.

***Please know the club is right behind you both!***

Our boat crews will then have their State Titles campaign on the weekend of 16th/17th March. We have 3 crews taking part and no doubt will put in some strong performances. Also competing on the Queenscliff/North Steyne strip.

***Best of luck to all crews and we'll keep you updated with results!***

### **CELEBRATING YEARS OF SERVICE**

It is with huge pleasure that we congratulate two of our dedicated volunteers in contributing years to representing Macs as an official.

Amanda Queripel and Belinda Cohen both received recognition of this achievement from SLSNSW.

Our Surf Sports section does not run without officials and we are incredibly grateful for the time and effort both Amanda and Belinda contribute.

Belinda is a well respected official in the Rescue and Resuscitation (R&R) section and has represented the club at local carnivals, Open Carnivals, Branch, State and Australian Championships for over 25 years!

Amanda represents the club as an official across all areas of competition. You name the division and she has at some point been an official! From Juniors through to Masters, she has officiated at local carnivals, Branch and State Championships for over 15 years!

***Congratulations and very well deserved for you both!***

### **BECOME AN OFFICIAL - JOIN US!**

We are continually seeking volunteers to train as officials and water safety for all sections: from Nippers, Seniors and Masters through to our boat crews. We run the officials course at Macs and need to increase the number of officials in all categories to meet our Club requirements for carnivals.

**We would love you to join the team - all training provided!** Please contact Nadine on 0403 590 718

## Competition Corner continued with Nadine Norman, Director of Competition

### NIPPERS

Our final day of Nippers for the season is on Sunday 10th March!

Thank you to all our incredible families who have been a huge part of our club this year. It has been wonderful to watch our Nippers develop friendships, surf safety skills, and confidence across the Sunday beach and water activities.

A huge thank you to our Age Managers Joel, Mick, Ben, Andrew, Chloe, Claire, Andrew, Sarah, Poppy, Corey and Kieran. Also, to our parents, rookies and club members who took care of Water Safety - especially our Water Safety coordinator Tim.

Many thanks to Lynda and Elaine for getting the BBQ firing each week and to the parents, members and Resinc who jumped on to assist here.

Finally, to our Junior Activities Coordinator (JAC) Matt, who in his first season brought a lot of energy and passion to giving the best experience for Nippers this season.

We hope you have all had a great season and will be back again next season - kick off October 2024!

### BOARD TRAINING

Board Training has wrapped up and anyone keen to paddle has been jumping in for a social paddle on Friday afternoons. With Nippers finishing up for the season, so too does the social paddle as of Friday 1st March.

A huge thank you to our trainers, Trent, Frank, Andrew and Conor who have been so generous with their time this season. Also a shout out to all the rookies and parents who took care of water safety for us.

## What a team! #TeamsMACS

**Time to give back to your Club | How will you be involved?**

# Competition Corner *with Brad Norman, Boat Manager*

February saw all 3 crews compete at Ocean Beach for the Central Coast Branch Titles and then we headed to Lorne VIC and onto the State Champs!

## SLSCC BRANCH CHAMPIONSHIPS - BOATS | 11 February 2024 @ Ocean Beach

On arrival conditions were suited to our Macs crews with Ocean Beach providing surf as good as it gets for surf boat racing! Both the Open Mens and Reserve Mens led their finals around the turn, with the Open Men just missing a wave in front of the crew behind to finish 2nd in a line finish.

Our Reserve Mens, the Fat Dads, were leading the final, but had to wait for a large set approaching and finished 4th in a line finish with crews behind catching the same wave.

The Macs Minis rowed in 2 divisions and won both! A great achievement stepping up to win the Reserve Women against some older stronger female crews.

### RESULTS:

**Open Mens:** 2nd

**Reserve Mens:** 'Fat Dads' 4th

**U19 Womens:** 'Macs Minis' 🏆

**Reserve Womens:** 'Macs Minis' 🏆

## AUSTRALIAN OPEN ASRL TITLES | 16-18 February 2024 @ Lorne, VIC

Following branch, our Open Mens and U19 Macs Minis travelled to Lorne, Victoria for the Australian Open ASRL Titles. Arriving in Lorne on the Thursday afternoon, our crews were greeted with large southern ocean swells off the Lorne Pier. Brad and Mick took both crews out to catch some large non breaking waves and riding them for about 500m! It was an experience of a lifetime for our younger rowers!

### RESULTS:

**Open Mens:** showed a lot of improvement and just missed the cut after the Round Robin.

**U19 Womens:** Our Macs Minis rowed well across the weekend and missed out in the top 12 semi final on Sunday morning.

### NEXT UP:

Our boat crews are onto the State Championships in mid March. **Goodluck to all our Club competitors!**
