## President's Report with Alison McNeill

The season has flown and we are now at the end with State and Aussie competitions coming up and our surf patrols back to a 5pm finish.

### JET SKI IN ACTION

Daniel, our Director of Life Saving, has had the jet ski at the club on loan from our neighbours, Copacabana SLSC to show our future life savers another pathway. There will be another opportunity to see this in action on our Junior Presentation Day which is also the first of our 80th birthday celebrations.

### 80 LIFESAVERS | 80 MINUTES | CELEBRATING 80 YEARS

We will also have 80 life savers on patrol for 80 minutes to showcase MacMasters Beach Surf Club. From 12pm on

Saturday 22nd March we are inviting all Macs life

savers to join us for this celebration of serving our community for 80 years! Any volunteer life savers who have not registered your interest please follow the link: [Celebrating 80 Years of lifesaving at MacMasters Beach](#)

### CLUBHOUSE SPRUCE UP!

The clubhouse is undergoing a change internally, with new paint throughout, as well as a new timber dance floor and new carpet to complete the works. The bar is open during this time but please be mindful of the work. The signage and Honour Boards will be returned to the walls once complete. It looks so fresh but very bare at the moment! #watchthisspace

We have had a brilliant response to the 80 Lifesavers for 80 minutes which we were going to hold on January 4th to celebrate our clubs 80th Anniversary.

There has been feedback from multiple members that they would like to be involved and this isn't possible being the holiday season.

To give everyone the best opportunity to be involved, we have decided to reschedule the date for this event.

**We will now be hosting the  
 80 Lifesavers for 80 minutes  
 on Saturday 22nd March 2025!

On this date we will also be hosting our Family 80th Anniversary Celebration and lifesaving exhibition - so this became the perfect tie in for both events.

A decent surf was on offer and our gutsy Nippers jumped into the ocean for the water events on Saturday 15th. Impressive efforts and great team spirit was on show from #TeamMACS. We had some great results, loads of action, huge support for each other and a great show of sportsmanship.

The Juniors competed in the water and U8s had a full event schedule on the Saturday. Then the U9s-U14s backed up for the beach events on the Sunday - including a 5.45am Marshall for the R&R!

## ASRL National Surf Boat Championship | 13-16 February 2025 @ Coffs Harbour

We had 3 boat crews head north to Coffs Harbour over the weekend to compete in the ASRL National Surf Boat Title. The entries were huge with most crews in Australia competing at the event!

This is a great weekend of racing with more details on the next page but well done to all 3 crews for the efforts and particularly the 'Fat Dads' for making it through to the elimination round in what was some hard racing.

Sending the best of luck to our boat crews as they head into State Titles next month!

## Regional Surf Boat Championships | 1 February 2025 @ Ocean Beach

Our U19 'Alliance' Female crew rowed at the Country Championships, for their first hit out of the season in early February at Ocean Beach securing a 🥉 **Bronze** medal.

## SLSCC Surf Boat Branch Championship | 8 February 2025 @ Ocean Beach

February saw our 3 Boat crews compete in the Branch Championships at Ocean Beach. Greeted by extremely flat and smooth conditions all 3 crews rowed well.

Our U19 Alliance Girls team won 🥈 **Silver** in the U19 Female, Our Open Men ran 3rd, 🥉 **Bronze** in a close race and the Fat Dads took out the 🥇 **Gold** in the Reserve Men in another close race.

## ASRL National Surf Boat Championship | 13-16 February 2025 @ Coffs Harbour

All 3 crews travelled to Coffs Harbour for the Annual Australian Surf Rowers League Carnival. Rough conditions forced the carnival to be moved into the harbour with multiple schedule changes for racing.

The 'Fat Dads' kicked off racing on the Friday with a 1st and 3rd in the 2 heats, with racing scheduled to recommence on the Saturday morning.

Saturday morning saw both the 'Fat Dads' and U19 'Alliance' crews race the remaining heats of the Round Robin. Both crews rowed well with the U19 Alliance unfortunately not making it to the elimination racing. It was a good experience for the young girls up against the rest of the country!

The 'Fat Dads' continued with another 1st in their last round to make it through to the elimination race. They just missed out in a tough and tight first round elimination.

Our Open Men finally had their first race at 3.30pm on the Saturday afternoon, showing some improvement from earlier in the season. They came back Sunday morning to finish their round robin and rowed another two races before missing the cut for elimination racing in a hotly contested division.

**COMING UP** in March we have all 3 crews attending both the State Titles at Queenscliff in Sydney and the Australian Titles at Tugun on the Gold Coast, QLD. We wish all crews the very best and good luck at both events.
